A lady, writing from Brooklyn, says "Would sold stock remaining on hand will be disposed of that I could express in this short letter the value at a like discount. His new stock consist in part your Invigorator has been to me in raising a large of family of children, for it has never failed to relieve all affections of the stomach, bowels or attacks of worms. If mothers once had this remedy placed within their reach, and were taught hew to use it, a fearful and untold amount of agony might be saved."

One of our prominent bankers says, " Five or ax years since, I found myself running down with a liver difficulty; resorting to your Invigorator, was greatly relieved, and, continuing for a tools, whereby he is enabled to execute work with season, was entirely restored.

A clergyman called at our office the other day and said he had given a poor woman a bottle, tinuance of the same, he trusts that his friends who was suffering very badly from Liver Com-plaint, and before she had taken the whole of it she was at work carning bread for her family. A gentleman, recently from the West, says, while at Chicago, he was attacked with a slow

lingering fever, that baffled the skill of physicians but the Invigorator cured him in a few days. One of our city merchants said while on a visit to Troy a few days since, he was attacked with bowel and stomach disorders, so as to confine him to his room, he sent to the arms store for a bettle of Invigorator, took one dose, which relieved him

so that he was able to attend to his business. An acquaintance, whose business compels him while at others, sleep would overpower him, but the Invigorator cured him.

A gentleman from Brooklyn called on us a week or two since, looking but the shadow of a man, with skin yellow, pale and deathlike. He had been for a long time suffering from Jaundice and Dyspepsia, and unable to attend to his business. We saw him again to day a changed man, and to use his expression, he has not seen the bottom of the first bottle, and further adds "it saved my life for I was fast going to a consumptive grave.

Among the hundreds of Liver Remedies now offered to the public, there are none we can so fully recommend as Dr. Sandford's Invigorator, or Liver Remedy, so generally known now throughout the Union. This preparation is truly a Liver Invigorator, producing the most happy results on all who use it. Almost innumerable certificate have been given of the great virtue of anon now before the public.

PROFESSOR O. J. WOOD'S HAIR RESTORATIVE. FOR PRODUCING HAIR ON BALD HEADS,

AND RESTORING GREY HAIR TO ITS NAT-URAL COLOR.

THIS ISTONISHING AND UNEQUALLED preparation has never failed to produce a growth on Bald Heads, when used according to the direction, and turn hair back to its original color, after having become grey and reinstate it in all its original health, lustre, softness and beauty. Removes at once all scurf, dandruff and unpleasant itching, scrofula, eruptions and feverish heat from the scalp. It also prevents the hair from becoming unhealthy and falling off, and hence acts as a perfect

HAIR INVIGORATOR AND TONIC. A gentleman of Boston writes to his friend in

New Bedford thus: To your inquiries, I would reply, that when I commenced using Professor Wood's Hair Restorative, my hair was almost white, and had been so for the last ten years and it was very thin on the top of my head, and very loose, and pulled out freely; but I found that before I had used all the second bottle, (which was eight weeks) my hair was entirely changed to its original color, light brown, and is free from dandruff and quite moist. I have had my hair cut five or six times since the change, and have never seen any thing like white hair starting from the roots; and it is now as thick as it ever was, and does not come out at all. It has proved in my case all that I could wish to ask. Yours, etc .--July 1, 1855.

| From the Boston Herald. | SOMETHING WORTH KNOWING .- By using Professor Wood's Hair Restorative, grey hair can be permanently restored to its original color. The subjoined certificate from Johnston & Stone, Gardiner, Maine, is but one of the many instances that are daily coming to our knowledge, of its wonderful effects. It is no longer problematical, 'Tin, Copper, and Sheet-Iren Ware but a self-evident truth, as hundreds in our community can testify.

GARDINER, Maine, June 26, 1856. DEAR SIR : Thave used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the hair. Before using it, I was a man of seventy. My hair bas now attained its origi-nal color. You can recommend it to the world without the least fear, as my case was one of the

BROOKFIELD, Mass., January 12, 1856. DEAR SIR :- Having made a trial of your Hair Restorative, it gives me pleasure to say that its effect has been excellent in removing inflammation, dandruff, and a constant itching tendency with which I have been troubled from childhood; and has also restored my hair, which was turning gray, to its original co or. I have used no other article with anything like the pleasure Yours, Truly,
