Dr. Sanford's

INVIGORATOR FOR LIVER REMEDY IS AN ARTICLE THAT EVERY BODY NEEDS WHO IS not in a perfect state of health, for the Liver is second only to the heart in our human economy, and when that is deranged the whole vital machinery runs wrong. To can and will sell cheaper than any dealer in the find a medicine peculiarly adapted to this disease | town or county. has been the study of one of the proprietors in a large and extended practice for the past twenty years, and the result of his experiment is the In- | are now offered at \$1,624, &c. vigorator, as a rever-failing remedy where medicine has any power to help. As a Liver Remedy it has no equal, as all testify who use it.

your Invigorator has been to me in raising a large of amily of children, for it has never failed to reheve all affections of the stomach, bowels or attacks of worms. If mothers once had this remedy placed within their reach, and were taught how to use it, a fearful and untold amount of agony might be saved."

One of our prominent bankers says, " Five or six years since, I found myself running down with a liver difficulty : resorting to your Invigorator, was greatly relieved, and, continuing for a season, was entirely restored.

A clergyman called at our office the other day and said he had given a poor woman a bottle, who was suffering very tadly from Liver Com-plaint, and before she had taken the whole of it she was at work carning bread for her family.

A gentleman, recently from the West, says, while at Chicago, he was attacked with a slow lingering fever, that baffled the skill of physicians but the Invigorator cured him in a few days. One of our city merchants said while on a visit to Troy a few days since, he was attacked with bowel and stomach disorders, so as to confine him to his room, he sent to the arug store for a bottle of Invigorator, took one dose, which relieved him so that he was able to attend to his business. An acquaintance, whose business compels him

te write most of the time, says, he became so weak as to be unable at times to hold his pen, while at others sleep would overpower him, but the Invigorator cured him.

A gentleman from Brooklyn called on us a week or two since, looking but the shadow of a man, with skin-yellow, pale and deathlike. He had been for a long time suffering from Jaundice and Dyspepsia, and unable to attend to his business. We saw him again to day a changed man, and to use his expression, he has not seen the bottom of the first bottle, and further adds "it saved my life for I was fast going to a consumptive grave. Among the hundreds of Liver Remedies now offered to the public, there are none we can so fully recommend as Dr. Sandford's Invigorator, or Liver Remedy, so generally known now throughout the Union. This preparation is truly a Liver Invigorator, producing the most happy results on all who use it. Almost innumerable certificate have been given of the great virtue of ation now before the public.

PROFESSOR O. J. WOOD'S HAIR RESTORATIVE. FOR PRODUCING HAIR ON BALD HEADS,

GREY HAIR TO ITS NAT-URAL COLOR.

THIS ASTONISHING AND UNEQUALLED preparation has never failed to produce a growth on Bald Heads, when used according to he direction, and turn hair back to its original solor, after having become grey and reinstate it n all its original health, lustre, softness and beauy. Removes at once all scurf, dandruff and unheat from the scalp. It also prevents the hair rom becoming unhealthy and falling off, and

hence acts as a perfect HAIR INVIGORATOR AND TONIC.

A gent'eman of Boston writes to his friend in New Bedford thus: To your inquiries, I would reply, that when I commenced using Professor Wood's Hair Restoraive, my hair was almost white, and had been so for the last ten years and it was very thin on the ep of my head, and very loose, and pulled out reely; but I found that before I had used all the second bottle, (which was eight weeks) my hair was entirely changed to its original color, light frown, and is free from dandruff and quite moist. I have had my hair cut five or six times since the change, and have never seen any thing like white hair starting from the roots; and it is now as thick as it ever was, and does not come out at all. It has proved in my case all that I could wish to ask.

July 1, 1855. Yours, etc .--[From the Boston Herald.]

Something Worth Knowing.-By using Professor Wood's Hair Restorative, grey hair can be permanently restored to its original color. The subjoined certificate from Johnston & Stone, Gardiner, Maine, is but one of the many instances that are daily coming to our knowledge, of its wonderful effects. It is no longer problematical, Tin, Copper, and Sheet-Iron Ware but a self-evident truth, as hundreds in our community can testify.

GARDINER, Maine, June 26, 1856. DRAR SIR : I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the hair. Before using it, I was a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as my case was one of the

Yours respectfully, DANIEL N. MURPHY. Professor O. J. Woon.

BROOKFIELD, Mass., January 12, 1855. DEAR SIR :- Having made a trial of your Hair Restorative, it gives me pleasure to say that its effect has been excellent in removing inflammation, dandruff, and a constant itching tendency with which I have been troubled from childhood; and has also restored my hair, which was turning gray, to its original co'or. I have used no other article with anything like the pleasure and profit. Yours, Truly, J. K. BRAGG.

Pastor of the Orthodox Church, Brookfield.

Prof. O. J. Woon. [From the Misseuri Democrat.] WOOD'S HAIR DYE .- This admirable article is rapidly improving the hair. No article of a similar kind, now before the public, enjoys a bet-ter reputation as a restorative and invigorating tion of the State, to whom opportunities will be hair tonic. Its peculiar chemical qualities have offered for large profits to themselves. a beneficial effect upon the growth and character of the hair, giving a silky and glossy texture to that which was formerly of a coarse and dry naiure. It has, also, we understand, a tendency to preserge the youthful appearance of the hair, and destroying or counteracting the effects of age .-With such recommendations in its favor, we hardly perceive how any lady or gentlemen should be without so valuable an adjunct to their tollet.
