Thompson's Clock.

There is a clock in our place That regulates the town, With tiny hands and pretty face, Though it looks old and brown. The rarest clock that e'er I saw, It beats all clocks, I know, It went and stood in Noah's ark Four thousand years ago.

There is a clock in our place-At THOMPSON'S store 'tis found ; "Tis called the REGULATOR here, And rarest clock in town. Just call at Thompson's Hatter's Store; And see this old clock go, -And buy a hat in place of one Bought twenty years ago.

This Thompson keeps on Clinton street; The clock is in his store, And has been running, without feet, Four thousand years and more. Now, if you don't believe me, Tom; Just call in as you go,

And buy a Cap in place of one Bought twenty years ago.

Twas put up by George Bolsinger, An ARTIST of our town,

The wheels are made of wood and brass; And all seem pretty sound. And now my last advise, dear Tom, Is, stop in as you go, And buy some Boots in place of those Bou, ht twenty yeers ago.
