**PROFESSOR O. J. WOOD'S HAIR RESTORATIVE.**  
FOR PRODUCING HAIR ON BALD HEADS, AND RESTORING GREY HAIR TO ITS NATURAL COLOR.  
THIS ASTONISHING AND UNEQUALLED Preparation has never failed to produce a growth on Bald Heads, when used according to the direction, and turn hair back to its original color, after having become grey and remained in it all its original health, lustre, softness and beauty. It removes at once all scurf, dandruff and unpleasant itching, scrofula, eruptions and feverish heat from the scalp. It also prevents the hair from becoming unhealthy and falling off, and hence acts as a perfect  
**HAIR INVIGORATOR AND TONIC.**  
A gentleman of Boston writes to his friend in Bedford thus:  
"In your inquiries, I would reply, that when I commenced using Professor Wood's Hair Restorative, my hair was almost white, and had been so for the last ten years and it was very thin on the top of my head, and very loose and pulled out freely; but I found that before I had used all the second bottle, (which was eight weeks) my hair was entirely changed to its original color, light brown, and free from dandruff and quite moist. I have had my hair cut five or six times since the change, and have never seen any thing like white hair starting from the roots; and it is now as black as it ever was, and does not come out at all. It has proved in my case all that I could wish to ask."  
Yours, etc.,  
July 1, 1855.

[From the Boston Herald.]  
**SOMETHING WORTH KNOWING.**—By using Professor Wood's Hair Restorative, grey hair can be permanently restored to its original color. The subjoined certificate from Johnston & Stone, Gardiner, Maine, is but one of the many instances that are daily coming to our knowledge of its wonderful effects. It is no longer problematical, but a self-evident truth, as hundreds in our community can testify.  
GARDINER, Maine, June 23, 1856.  
DEAR SIR: I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and bringing the hair. Before using it, I was a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as my case was one of the worst kind.  
Yours respectfully,  
DANIEL N. MURPHY.  
Professor O. J. Wood.

BROOKFIELD, Mass., January 12, 1855.  
DEAR SIR:—Having made a trial of your Hair Restorative, it gives me pleasure to say that its effect has been excellent in removing inflammation, dandruff, and a constant itching tendency with which I have been troubled from childhood; and has also restored my hair, which was turning grey, to its original color. I have used no other article with anything like the pleasure and profit.  
Yours, Truly,  
J. K. BRAGG.  
Pastor of the Orthodox Church, Brookfield.  
Prof. O. J. Wood.

[From the Missouri Democrat.]  
**WOOD'S HALL DYE.**—This admirable article is rapidly improving the hair. No article of a similar kind, now before the public, enjoys a better reputation as a restorative and invigorating hair tonic. Its peculiar chemical qualities have a beneficial effect upon the growth and character of the hair, giving a silky and glossy texture to that which was formerly of a coarse and dry nature. It has, also, we understand, a tendency to preserve the youthful appearance of the hair, and destroying or counteracting the effects of age. With such recommendations in its favor, we hardly perceive how any lady or gentlemen should be without so valuable an adjunct to their toilet.
