A Remarkable Dog.

A certain broker had a dog, says the New Jersey Times, remarkable for its intelligence. Every Saturday morning the dog received from its master a one dollar bill, which it carried carefully to market, and with which its meat bill for the week. One day, through press of business, the broker neglicted to give Bepo his customary allowance, and through dog followed his master, who wondered at [Louisvillle Times.]-August 5-2w. such unusual attendance. At last, snugly ensconced at his office chair, the broker had time to recollect the cause of the honest Bepo's pertinacity, and carefully taking a bill from his pecket, he threw it to the dog, expecting to see him depart as usual. But to his fore paw upon the note, gave four sharp barks in rapid succession, and continued this interesting performance until his master angrily snatched up the note, and found the cause of the noise explained-the bill was discounted for four per cent!

of way upon terms beneficial to both of the States concerned. This is likely to complicate the question so far as this Government ration, which turns back to its original color, gray hair-covers the head of the bald with a luxuriant growth-removes the dandruff, itching, and all cutaneous eruptions-causes a continual flow of the natural fluids ; and hence, if used as a regu'ar dressing for the hair, will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call, then, upon the bald, the gray, or diseased in scalp, to use it; and surely the young will not, as they value the flowing locks or witching curl, ever be without it .--Its praise is upon the tongue of thousands.

> Watertown, Mass., May 1, 1855. PROF. O. J. WOOD :- Allow me to attest the virtnes and magic power of your Hair Restora tive. Three months since, being exceedingly gray I purchased and soon commenced to use two bottles, and it soon began to tell, in restoring the silver locks to their native color, and the hair which was before dry and harsh, and falling off, now became soft and glossy, and it ceased falling; the dandruff disappeared, and the scalp lost all the disagreeable itching, so annoying before, and now I not only look but feel young

New York, Oct. 2, 1855. PROF. O. J. WOOD-Dear Sir ;-After reading the advertisement in one of the New York journals, of your celebrated Hair Restorative, I procured a half pint bottle, and was so much pleased with it that I continued its use for two months, and am satisfied that it is decidedly the best preparation before the public. It at once removed all the dandruff and unpleasant itching from the scalp, and has restored my hair naturally, and. I have no doubt, permanently so. You have permission to refer to me, all who entertain any doubt of its not performing all that

is claimed for it. MISS FEEKS, 261 Greenwich Av. I have used Professor O. J. Wood's Hair Res-

To prove that this remedy is at last found, any person troubled with Liver Complaint in any of its forms, has but to try a bottle, and conviction

A compound has been formed by dissolving gums, and extracting that part which is soluble for the active virtues of the medicine. These gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the causes of the disease, and effecting a radical cure without any of the disagreeable after effects, felt by using Calomel or Mineral Poison, that are usually resorted to.

To all who will follow these directions a cure is positively guaranteed. Sick Headache can be cured by the use of two tea spoonsful taken as soon as the attack is felt.

The Invigorator never fails to cure sour stomach or the bad effects experienced after eating. Bilious attacks yield readily to one bottle, and Chronic Diarrhoea, difficult as it is to cure, is never troublesome to those who take the Invigorator. For Dyspepsia or Jaundice, nothing in the world acts so fully or cures so quickly as the Invigorator. It removes all yellowness and unnat-ural color from the skin.

For Night Mare, take a dose before retiring. and it is warranted a sure preventative. For Female Obstructions it is a safe and sure remedy as it removes the cause of the disease. 'Costiveness cannot exist where the Invigorator is freely taken, while Cholic yields readily to a
