ALL HAIL!!! Something for [the Million !!! PROF. WOOD'S

WE CALL THE ATTENTION OF ALL old and young, to this wonderful preparation, which turns back to its original color, gray hair-covers the head of the bald with a luxuriant growth-removes the dandruff, itching, and all cutaneous eruptions-causes a continual flow of the natural fluids ; and hence, if used as a reg-ular dressing for the hair, will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call, then, upon the bald, the gray, or diseased in scalp, to use it; and surely the young will not, as they value the flowing locks or witching curl, ever be without it .---Taken in execution, and to be sold at the suit. > Watertown, Mass., May 1, 1865. PROF. O. J. WOOD :- Allow me to attest the

virtues and magic power of your Hair Restora-tive. Three months since, being exceedingly gray I purchased and soon commenced to use two botheirs and others, having thereon erected a two north fifty-three degrees east, six hundred and five tles, and it soon began to tell, in restoring the silver locks to their native color, and the hair which was before dry and harsh, and falling off, now became soft and glossy, and it ceased falling ; the dandruff disappeared, and the scalp lost all the disagreeable itching, so annoying before, and now I not only look but feel young again. Respectfully, yours, etc. CHAS. WHITNEY.

New York, Oct. 2, 1855.

PROF. O. J. WOOD-Dear Sir ;- After reading the advertisement in one of the New York journals, of your celebrated Hair Restorative, I procured a half pint bottle, and was so much pleased with it that I continued its use for two months, and am satisfied that it is decidedly the 39 ALSO-All the right, title and interest of the place of beginning; as well as a strip of land best preparation before the public. DR. SANDFORD'S INVIGORATOR. OR LIVER REMEDY

POHIS IS ONE OF THE GREATEST SCIEN-TIFIC medical discoveries ever made, and is daily working cures almost too great to believe. It cures as it by magic, even the first dese giving benefit, and seldom more than one bottle is requi-red to cure any kind of Liver Complaint, from the worst Jaundice or Dyspepsia to a common head ache, all of which are the result of a Diseased Liver.

The Liver is one of the principal regulators of the human body, and when it performs its functions well, the powers of the system are fully developed. The stomach is almost entirelydependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, the bowels are pt fault, and the whole system suffers in consequence of one organ-the Liver-having ceased to do its duty. For the diseases of that organ, one of the proprictors has made it his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with Liver Complaint in any o its forms, has but to try a bottle, and conviction is certain.

A compound has been formed by dissolving gums, and extracting that part which is soluble for the active virtues of the medicine. These gums remove all morbil or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the causes of 'the disease, and effecting a radical cure without any of the disagreeable after effects, felt by using Calomel or Mineral Poison, that are usually resorted to.

To all who will follow these directions a cura is positively guaranteed. Sick Headache can be cured by the use of two tea spoonsful taken as soon as the attack is felt.

The Invigorator never fails to cure sour stomach or the bad effects experienced after eating. Bilious attacks yield readily to one bottle, and

Chronic Diarrhea, difficult as it is to cure, is never troublesome to those who take the Invigorator. For Dyspepsia or Jaundice, nothing in the world acts so fully or cures so quickly as the In-

igorator. It removes all yellowness and unnattral color from the skin. For Night Mare, take a dose before retiring.

and it is warranted a sure preventative. For Female Obstructions it is a safe and sure remedy as it removes the cause of the disease. Costiveness cannot exist where the Invigorator

is freely taken, while Cholic yields readily to a

few doses.

It must be known that all these are Liver discases, or caused by a deranged Liver, and to cure them needs a LIVER medicine and one of great power. The Invigorator is such a medicine ; it has medicinal powers, hever before discovered. that will cure all diseases of the Liver, no of how long standing or what may be their form. The active medicinal virtues extracted from the gums used is such as to be astonishing to all who confidence than Prot. Wood's Hair Restorative, thartie, and should always be taken in sufficient quantities to operate on the bowels gently. The best way to take it is to take the medicine in the mouth, and then take some water and swallow M'Guire.
