Three months since, being exceedingly gray purchased and soon commenced to use two bottles, and it soon began to tell, in restoring the silver locks to their native color, and the hair which was before dry and harsh, and falling off, now became soft and glossy, and it orased falling ; the dandruff disappeared, and the scalp lost all the disagreeable itching, so annoying before. and now I not only look but feel young again. New York, Oct. 2, 1855. PROF. O. J. WOOD-Dear Sir ;- After read-ing the advertisement in one of the New York ournals, of your celebrated Hair Restorative, I procured a half pint bottle, and was so much pleased with it that I continued its use for two nonths, and am satisfied that it is decidedly the best preparation before the public. It at once removed all the dandruff and unpleasant itching from the scalp, and has restored my hair naturaly, and, I have no doubt, permanently so, You have permission to refer to me, all who

entertain any doubt of its not performing all that is claimed for it.

DR. SANDFORD'S INVIGORATOR, OR LIVER REMEDY PAHIS IS ONE OF THE GREATEST SCIEN-TIFIC medical discoveries ever made, and is daily working cures almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of *Liver* Complaint, from the worst Jaundice or Dyspepsia to a common head ache, a'l of which are the result of a *Dis*eased Liver.

The Liver is one of the principal regulators of the human body, and when it performs its functions well, the powers of the system are fully developed. The stomach is almost entirelydependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ-the Liver-having ceased to do its duty. For the diseases of that organ, one of the proprietors has made it his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with Liver Complaint in any of its forms, has but to try a bottle, and conviction is certain.

A compound has been formed by dissolving gums, and extracting that part which is soluble or the active virtues of the medicine. These gums remove all morbil or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the causes of the disease, and effecting a radical curre without any of the disagreeable after effects, felt by using Calomel or Mineral Poison, that are usually resorted to, 110 SLILLA SLOW

To all who will follow these directions a cure is positively guaranteed. Sick Headache can be cured by the use of two tea spoonsful taken ar soon as the attack is felt. The Invigorator never fails to cure sonr stom-

ach or the had effects experienced after eating. Bilious attacks yield readily to one bottle, and Chronic Diarrhoa, difficult as it is to cure. is perer troublesome to those who take the Invigorator. For Dyspepsia or Jaundice, nothing in the world acts so fully or cures so quickly as the Invigorator. It removes all yellowness and unnatural color from the skin.

For Night Mare, take a dose before retiring; and it is warranted a sure preventative.

For remale Obstructions it, is a safe and sure reinedy as it removes the cause of the discase. Costiveness cannot exist where the Invigorator is freely taken, while Cholic yields readily to a few doses.

It acts as a gentle Ca-thartic, and should always be taken in sufficient quantities to operate on the bowels gently. The best way to take it is to take the medicine in the mouth, and then take some watet and swallow both together. In this way the medicine will SANFORD & CO , Proprietors, 345 Broadway, New York.
