WE CALL THE ATTENTION OF ALLA viold and young, to this wonderful prepa-ration, which turns back to its original color, gray hair-covers the head of the bald with a luxurant growth-removes the dandruff, itching, and all cutaneous cruptions-causes a continual flow of the natural fluids ; and hence, if used as a regu'ar dressing for the hair, will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call, then, upon the bald, the gray, or diseased in scalp, to use it; and ing locks or witching curl, ever be without it .--Its praise is upon the tongue of thousands.

Watertown, Mass., May 1, 1856.

PROF. O. J. WOOD :- Allow me to attest the virtues and magic power of your Hair Restorative. Three months since, being exceedingly gray I purchased and soon commenced to use two botdes, and it soon began to tell, in restoring the silver locks to their native color, and the hair which was before dry and harsh, and falling off, now became soft and glossy, and it ceased falling ; the dandruff disappeared, and the scalp lost all the disagreeable itching, so annoying be fore. and now I not only look but foel young again. Respectfully, yours, etc.

CHAS. WHITNEY.

New York, Oct. 2, 1855.

PROF. O. J. WOOD-Dear Sir ;- After readng the advertisement in one of the New York ournals, of your celebrated Bair Restorative, I procured a half pint bottle, and was so much pleased with it that I continued its use for two months, and am satisfied that it is decidedly the best preparation before the public. It at once emoved all the dandruff and unpleasant itching from the scalp, and has restored my hair natural. y, and. I have no doubt, permanently so.

You have permission to refer to me, all who entertain any doubt of its not performing all that is claimed for it.

MISS FEEKS, 261 Greenwich Ar.

I have used Professor O. J. Wood's Hair Res. orative, and have admired its wonderful effects. It restored my hair where it had fallen off; is cleans the head, and renders the hair soft and smooth-much more so than oil.

MARY A. ATKINSON. Louisville, Nov. 1, 1855.

State of Illinois, Carlisle, June 21, 1866. I have used Professor O. J. Wood's Hair Resorative, and have admired its wonderful effect. My hair was becoming, as I thought, premature-ly gray, but by the use of the "Restorative" it has resumed its ofiginal color, and, I have no doubt, permanently so. SIDNEY BREESE,
