It is a most undoubted fact that Dr. Sanford's Invigorator, or Liver Remedy is one of the greatest discoveries made in medicine the past century. It has been a study of the Dr. during twenty years' practice to find what particular organ, when diseased, caused the greatest number of ills or pains, and his conelusion is, that the liver is the greatest regmlator of the system and the most liable to disease, while if kept free from disease is a preventative of Dyspepsia, Jaundice, general debility, &c., while last but far from least we mention consumption : for our experience is Porter Kinports, under the firm of D. R. Kinthat more cases of consumption occur from diseased liver than from all other causes put

Taking this to be a correct hypothosis, we have but to find a remedy with which to correet the liver, and we have a cure of nearly all the diseases we are subject to by simply useing a preventative. That the Invigorator is such a remedy is beyond doubt to all who try it, for its virtues are such that for all complaints arising form liver derangements it is an unfailing remedy, while as a family memteine, for all diseases of the stomach or bowels, which are caused in a greater or less degree and most efficacions remedy known.

PROF. WOOD'S

WE CALL THE ATTENTION OF ALL, old and young, to this wenderful preparation, which turns back to its original color, gray hair-covers the head of the bahl with a luxuri ant growth-removes the dandruff, itching, and all cutaneous eruptions—causes a continual flow of the natural fluids; and hence, if used as a reg-u'ar dressing for the hair, will preserve its color. and keep it from falling to extreme old age, in all its natural beauty. We call, then, upon the bald, the gray, or diseased in scalp, to use it; and surely the young will not as they value the flow-ing locks or witching curl, ever be without it. Its praise is upon the tongue of thousands.

Watertown, Mass., May 1, 1866. PROF. O. J. WOOD; Allow me to stiest the virtues and magic power of your Hair Restorative. Three months since, being exceedingly gray I purchased and soon commenced to use two bot-tles, and it soon began to tell, in restoring the silver locks to their native color, and the hair which was before dry and harsh, and falling off, now tecame soft and glessy, and it ceased fal-ling; the dandruff disappeared, and the scalp lost all the disagreeable itching, so annoying be-fore and now I not only look but feel young again. Respectfully, yours, etc. CHAS, WHITNEY.

New York, Oct. 2, 1855. 1 PROF. O. J. WOOD—Dear Sir;—After resting the advertisement in one of the New York journals, of your celebrated Hair Restorative, I procured a half pint lottle, and was so much pleased with it that, I continued its use for two months, and am satisfied that it is decidedly the best preparation before the public. It at once removed all the dandruff and impleasant itching from the scalp, and has restored toy hair naturally, and, I have no doubt, permanently so.
You have permission to refer to me, all who entertain any doubt of its hotperforming all that is claimed for it.

MISS PEEKS, 261 Greenwich Av. I have used Professor O. J. Wood's Hair Resrative, and have admired its wonderful effects. It restored my hair where it had fallen off; it desins the head, and renders the hair soft and smooth-much more so than oil. MARY A. ATKINSON.

Louisville, Nov. 1, 1865. State of Illino's, Carlisle, June 27, 1866. Il ave used Professor O. J. Wood's Hair Resorative, and have admired its wonderful effect. My hair was Lecoming, as I thought, premature: ly gray, but by the use of the "Restorative" it has resumed its original color, and, I have no doubt, permanently so.

DR. SANDFORD'S INVIGORATOR,

OR LIVER REMEDY. HIS IS ONE OF THE GREATEST SCIEN-TIFIC medical discoveries ever made, and is faily working cures almost too great to believe. It cures as it by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Birer Complaint, from the worst Jaundies or Dyspepsia to a common head ache, a'l of which are the result of a Dis-

The Liver is one of the principal regulators of the human body, and when it performs its funetions well, the powers of the system are fully developed. The stomach is almost entirely depehdent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, the bowels are et fault, and the whole system suffers in consequence of one organ-the Liver-having ceased to do its duty. For the diseases of that organ, one of the propri-etors has made it his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with Liver Complaint in any of its forms, has but to try a bottle, and conviction is certain. A compound has been formed by dissolving gums, and extracting that part which is soluble

for the active virtues of the medicine. These gums remove all morbil or bac matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the cau-ses of the disease, and effecting a radical cure without any of the disagreeable after effects, felt by using Calomel or Mineral Poison, that are usually resorted to.

To all who will follow these directions a cure is positively guaranteed. Sick Headache can be enced by the use of two tea spoonsful taken as soon as the attack is feit.

The lavigorator never fails to cure sour stemach or the bad effects experienced after eating. Bilious attacks yield readily to one bottle, and Chronic Diarrhora, difficult as it is to cure, is nerer troublesome to those who take the luvigorater. For Dyspepsis or Jaundice, rothing in the world acts so fully or cures so quickly as the Invigorator.
