Young America Target Pistol.

MANUFACTURING NEW HAVEN, CT.

THIS PISTOL IS INTENDED AS THE forerunner of the ordinary pistol, and is designed for young men and boys who wish to enjoy the exciting sport of firing at a target, at the most trifling expense, and without any danger of accident. The cheapest ordinary pistol is three or four times the price of this besides being dangerous in the hands of boys. This Pistol is loaded with the common Fire Cracker, which forms a complete cartridge, and will carry a ball ten or fifteen paces with the same precision as the ordinary pistol, but not with sufficient force to do any serious damage. As America is a shooting nation, the Young Americans must and will learn the art by which our Independence was secured. Hence this Target Pistol is exactly in time, and must meet with universal favor among our youth of the South and West. Its operation is perfectly simple, and is not liable to get out of order. A full description will accompany every case of Pistols. The Pistols are put up at the Factory in cases of 50 each, ready to send by express to any part of the United States or Canada, at the **RETAIL PRICE, 25 CENTS; BY THE CASE, \$7.50, OR 15 CENTS EACH.**
