POST-OFFICE ANECDOTE .--- The Newburryport Herald tells the following Post-office an ecdote: - Rap at the delivery.

. . .

'Postmaster-'Well, my lad, what will you have ?'

'Boy-'Here's a letter, she wants it to go along as fast as it can, cause there's a feller wants to have her here and she's courted by another feller who ain't here ; and she wants to know whether he's going to have her or not.

'Having delivered his message with emphaeis, the boy departed, leaving the Postmaster so convulsed with laughter that he could make no reply.'

TO THE MILLION .- Prof. Woods, of St. Louis, has after years of deep study and untiring research, succeeded in presenting to the public an article superior 'to any now in use, and indeed it is truly a wonderful discovery-we advert to his Fair Restorative ; the only article that has been completely successful in cheating tge of his gray locks, removing dandruff, itching, scrofula, &c. It restores the gray-headed to more than original beauty adds new lustre to locks already luxuriant: having the effect on coarse, havsh hair to rendo: it glossy and watery ; fastens perminently bair that is loose and falling, and many other qualities which will become known as soon as used.

The pride of mankind of mankind singularly developed in the keeping and arrangement of the hair : perhans from the fact that is the only portion of the human body that we can train in any way we choose ; how important then, having this portion left to our care, that we should use all the means science has placed in our hands to render it beautiful and permanent. If you would have heautiful hair, glossy hair, permanent hair, hair with its natural color elegantly preserved to extreme old age, don't fail to purchase Wood's Hair Restorative .- [Daily Iowa State Gazette.] For sale here by all druggists .- 50-2w-

> Watertown, Mass., May 1, 1855. PROF. O. J. WOOD :- Allow me to attest the virtues and magic power of your Hair Restorative. Three months since, being exceedingly gray I purchased and soon commenced to use two bottles, and it soon began to tell, in restoring the silver locks to their native color, and the hair which was before dry and harsh, and falling off. now became soft and glossy, and it ceased falling ; the dandroff disappeared, and the scalp lost all the disagreeable itching, so annoying be fore, and now I not only look but feel young again. WOOD-Dear Sir ;- After reading the advertisement in one of the New York journals, of your celebrated Hair Restorative, I proctired a half pint bottle, and was so much pleased with it that I continued its use for two months, and am satisfied that it is decidedly the best preparation before the public. It st once removed all the dandruff and unpleasant itening from the scalp, and has restored my hair naturally, and, I have no doubt, permanently so,

Among the many preparations now, in use for the restoring, preserving and beautifying the halt there are none that we can recommend with more confidence than Prof. Wood's Hair Restorative, now in general use throughout the States. This preparation possesses the most invigorating qualities, and never fails in producing the most happy results when applied according to directions.
