**Dr. Dupon's Golden Pills for Females.**  
INFALLIBLE IN REMOVING STOPPAGES or irregularities of the menses. These Pills are nothing new, but have been used by the doctors for many years, both in France and America, and are cautioned against using these pills while urged by many thousand ladies, who have used them, to make the Pills public, for the alleviation of those suffering from any irregularities whatever, as well as to prevent an increase of family, whose health will not permit it. Females peculiarly situated, or those considering themselves so, are cautioned against using these pills while in that condition, as the proprietor assumes no responsibility after the above admonition, although their mildness would prevent any mischief to health; otherwise these pills are recommended. Full and explicit directions accompany each box.
