WOOD'S HAIR RESTORATIVE .- This wonderful preparation is having an extensive sale in all parts of the Union. It is one of the few patent medicines which are now sold over the country that are really what their inventors claim for them. Millford, Worcester co., Mass., Nov. 1855. PROF. O. J. WOOD-Dear Sir; I take pleasure in bearing voluntary testimony to the magic effects of your wonderful Hair Restorative. As far back as 1836, my hair commenced falling off until the top of my scalp became bald and smooth as glass, and it has continued to fall for a great many years, notwithstanding I have used many celebrated preparations for restoration. Seeing your advertisement, I was induced to give your article a trial, and to my utter astonishment, found, after a few applications, that my bair became firmly set, and assumed a glossy and beautiful appearance; and by the time I had used a quart bottle, my bald head was covered over with a young and vigorous growth of hair, which is now from one to two inches in length, and growing fast. Yours, truly.

I have now used the restorative about five months, and my hair is entirely changed to its original color, brown, and the new hair is over three inches in ength on the spots where it was bald. I have also been much gratified at the healthy moisture and vigor of the hair, which before was dry, and it has ceased to come out as formerly. Respectfully yours, &c., Mrs. R. A. STODDARD.
