of irregularities of the menses. These Pills are nothing new, but have been used by the doctors for many years, both in France and America, with unparalleled success in every case, and he is urged by many thousand ladies who have used them, to make the Pills public, for the alleviation of those suffering from any irregularities whatever, as well as to prevent an increase of family by those whose health will not permit it. Females peculiarly situated or those considering themselves so, are cautioned against using these pills while in that condition, as the proprietor assumes no responsibility after the above admission, although their mildness would prevent any mischief to health; otherwise these pills are recommended. J. W. THOMPSON, in returning his thanks
to the citizens of Ebensburg and vicinity
for their liberal patronage in the past, begs leave
to inform them that he has just opened the lar-
gest and most complete assortment of
HATS AND CAPS
ever brought to the county. As his stock is so
large and the styles too numerous to mention,
he will only say that you can get a HAT or CAP of
any style or quality desired, that can be had at
any Hat store in the Union. Having taken great
care in selecting his FALL STOCK from first
manufacturers, and having a greater part of it
made expressly to his order, he is enabled to sell
goods in his line lower than can be sold elsewhere
in the county. Those visiting Johnstown, in
want of anything in his line will find it to their
advantage to call and examine his stock. He has
also a choice selection of Gent's fine Buckskin, seal
skin, leather and other fur gloves and gaiters.
Hats and caps made to order and repaired.

shipping furs.

The Wonder of the Age!

**J. M. LINDSEY'S GREAT MEDICAL DIS-
COVERY!**—Which is a purely vegetable
Preparation, for the purifying of the blood, giv-
ing vigor to the Liver, stomach and bowels, and
expelling from the system all morbid matter, and
substituting in its stead a healthful activity thro'
all the functions of life.

HOW IT WAS DISCOVERED.
In the fall of 1854, a daughter of Mr. Lindsey
was suffering from a malignant attack of Can-
cerous Orit (Cancer of the mouth). She had pre-
viously been prostrated by the attacks of Dys-
entery, inflammation of the Lungs and Bile Fever,
successively, which resulted in the above men-
tioned Orit in its worst form. Her condition
was most deplorable—her mouth and cheek were
literally rotten—the attending physician pro-
nounced the case a hopeless one. Everything in-
dicated a speedy and horrible death—a death of
rotting out of life! At this critical juncture, Mr.
Lindsey prepared a compound for the purpose of
alleviating, possible, the pains of the little suffer-
er. She was made to use it freely, and in a short
time, to his most delightful astonishment, there
was a very perceptible change in the patient.
The month began to put on a bright and healthy
appearance—the foul breath became sweet—the
appetite was restored, and the child seemed to
partake of a new and fresh life.

Hope was inspired, and the use of the com-
pound was faithfully continued, the result of
which, with the blessing of God, was her com-
plete restoration. She is now perfectly healthy!
From this circumstance, Mr. Lindsey was led to
prepare with greater care and exactness, what
has so astonishingly cured his child, and continued
his experimental efforts until he succeeded in
bringing to perfection his Great Remedy for
Blood-purifying, for which, from its effects, he has
been almost unanimously called upon, and
from this circumstance, Mr. Lindsey was led to
prepare with greater care and exactness, what
has so astonishingly cured his child, and continued
his experimental efforts until he succeeded in
bringing to perfection his Great Remedy for
Blood-purifying, for which, from its effects, he has
