INTERESTING BABY AFFAIR—A WORKY... CITIZEN IN A DIFFICULTY.—Last Saturday... evening, says the Boston Traveler, a gentleman... residing at Jamaica Plain was sitting... with his wife and some friends at their... parlor, when the door bell was violently rung...

After looking vainly up and down the street... and around the portal, he took the basket... into the parlor. On the covering being... removed a beautiful little child appeared... some five months old. The lady screamed, one of... the lady visitors took up the baby and found... a note pinned to its dress which charged the... gentleman of the house with being its father...

The friends interferred and at... last the wife was induced to forgive the husband... although he still stood to it like a Trojan... that he had always been a faithful husband... Finally the lady told her husband that... it was strange he should not know his own... child, for it was their mutual offspring, which... had just been taken from its cradle up stairs... by the nurse, for the very purpose of playing... the joke; and the surprised husband finally... joined in the laugh which was raised at his... expense.

A BIRD ISLAND BANK.—According to a... statement recently published, one of the Rhode... Island Banks had a circulation of \$286,702, and... only SEVEN DOLLARS IN SPECIE! This is the way... many of these swindling concerns are conducted, and the sooner they are... wound up the better.

WE examined a sworn statement (says... an Ohio paper,) made by one of our Banks in... her best days, and we found that then her... average discounts were ONE HUNDRED AND FIFTY... THOUSAND MORE than the sum stated!

There are occasions when even the healthiest... need medicine, the changes of diet, of the weather, and... hundreds of other causes, produce a laxity in the system... that needs correcting, or in other words, the liver becomes... slightly deranged, and needs a stimulant. If all who... find themselves in this situation will try Dr. Sanford's... Invigorator, they may be sure of relief, as we can testify to its... efficacy in curing Headache, Indigestion, Sour Stomach, and... other ailments common in a family. It acts, as a medicine, easier and better than any dose of pills we ever swallowed, and it is so mild that the... weakest infant can take it.

Dr. P. Wood, the renowned discoverer of the... "Hair Restorative," still continues to labor in behalf of the afflicted. Hair Restorative. It will preserve the color and keep the hair... from falling, to any imaginable extent. Read and judge!

ONLY ONE BOTTLE OF DR. SANFORD'S INVIGORATOR, OR LIVER REMEDY, IS REQUIRED TO CURE ANY ONE TROUBLE with Liver Complaints, unless the most desperate cases, when the second bottle will, with scarce a single failure, restore the patient to health and vigor. We wish to call the attention of all to these facts, that the Invigorator is compounded by a physician who has used it in his practice for the past twenty years, with a success almost equal to that of the most valuable medicine, being composed wholly of plants.

Some of the effects of this medicine may be found in what is known as the body of the Invigorator contains as much of its medicinal dose of Colonic without any of its deleterious effects.

One bottle is the surest thing known to carry away the bile effectually from the system of any kind. Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for jaundice removes all yellowness or unnatural color from the skin. One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring prevents nightmares. One dose taken at night loosens the bowels gently, and cures constipation. One dose taken after each meal will cure Dyspepsia.

One dose of two ten-dropfuls will always relieve Sick Headache. One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Colic, while. One dose often repeated is a sure cure for Cholera Morbus and a preventive of Cholera. One dose taken often will prevent the recurrence of bilious attacks, while it relieves all pain from indigestion.

One or two doses taken occasionally is one of the best remedies for a cold or cough known. Thousands of cases of inflammation and weakness of the lungs have been cured by the Invigorator.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well. One dose often repeated cures Chronic Diarrhoea in its worst forms, while summer and diarrhoeal complaints yield almost to the first dose. One or two doses cures attacks caused by worms, while it seems to children, there is no injury, safe and specific remedy in the world as it never fails.

Wish all who are sick and debilitated to try this remedy and test it thoroughly, and any who are not benefited by its use we should like to hear from, as we have yet to hear from the first person who has used a bottle of the Invigorator without receiving relief, for there are no other medicinal articles in it, that all other matter has long they have been effected, from complaints arising from a deranged liver, will be benefited in not entirely cured.

Milford, W. Va., Dec. 18, 1855. PROF. WOOD'S HAIR RESTORATIVE. I have used your advertisement, I was induced to give an article a trial, and to my utter astonishment, found, after a few applications, that my hair became firmly set, and assumed a glossy and beautiful appearance; and by the time I had used a quart bottle, my bald head was covered over with a young and vigorous growth of hair, which is now from one to two inches in length, and growing fast. Yours, truly, HENRY GOODRICH.

Charleston, Mass., Aug. 6, 1855. Gents:—Nothing but a duty and sympathy that led me to communicate to others the success effected as I have been enabled to give you this public acknowledgment of the benefit I have received from Prof. Wood's Hair Restorative. When I first commenced using it, my hair was quite gray, and impeded entirely bald. I have now used the restorative about five months, and my hair is entirely changed to its original color, and the new hair is over three inches in length on the spots where it was bald. I have also been much gratified at the healthy appearance and vigor of the hair, when before was dry, and it has ceased to come out so freely. Respectfully yours, W. M. STODDARD.

From Mrs. Ingalls, a well known nurse in Boston. Boston, Oct. 10, 1855. Gents:—At your request, I am writing so highly pleased with the effects of the Restorative, I am free to state that my hair has become quite thin, and entirely bald. I have for the past five years been in the habit of using it, but hearing of the extraordinary effects of this article, I was induced to try it. My hair has been restored to its original thickness, and also to its former color, which is light brown. Yours, respectfully, MRS. INGALLS.

The following is from the Record of the Orthodox Church, Brookfield, Mass., Jan. 12, 1855. Prof. Wood:—Dear Sir:—Having made trial of your Hair Restorative, and experiencing the pleasure of seeing that it effected a complete cure in removing inflammation, dandruff, and all obstructions to the hair, which I have for many years been in the habit of using, and has also restored the hair, which was becoming gray, to its original color. I have used no other article with anything like the same pleasure and benefit. Yours, truly, J. K. DRAYG.
