ONLY ONE BOTTLE OF DR. SANFORD'S INVIGORATOR, OR LIVER REMEDY. IS REQUIRED TO CURE ANY ONE TROUBLED with Liver Complaints, unless the most desperate of cases, when the second bottle will with scarce a single failure, restore the patient to health and vigor.

One bottle taken for Jaundice removes all yellowness or unnatural color from the skin. One dose after each meal will relieve the stomach and prevent the indigestion, eructation and belching.

One dose often repeated is a sure cure for Chloric Acid, and a sure preventative of Cholera. One dose taken often, will prevent the recurrence of bilious attacks, while it relieves all painful feelings.

One dose taken a short time before eating gives vigor to the appetite and makes food digest readily. One dose often repeated cures Chronic Diarrhoea in its worst forms, while summer and loosed complaints yield almost to the first dose.
