R. TUDOR

DR. MORSE'S

## INDIAN ROOT PILLS.

DR. MORSE, the inventor of MORSE'S INDIAN ROOT PILLS, has spent the greater part of his life in traveling, having visited Europe, Asia and Africa as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Mr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all parts sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will be forever blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant, that opens and unclogs the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys: thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out bountifully by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been assailed by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood. Thereof, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.

CAUTION—Beware of a counterfeit signed *A. J. Moore.* All genuine have the name of A. J. WHITE & Co. on each box. Also the *signature of A. J. White & Co.* All others are spurious.

A. J. WHITE & Co., *Sole Proprietors.*
50 Leonard Street, New York.

Dr. Morse's Indian Root Pills are sold by all dealers in Medicines.

Agents wanted in every town, village and hamlet in the land. Parties desiring the agency will address as above for terms.

Price 25 cents per box, five boxes will be sent on receipt of $1., postage paid.

ONLY ONE BOTTLE

OF

## DR. SANFORD'S INVIGORATOR,

*OR LIVER REMEDY*

IS REQUIRED TO CURE ANY ONE TROUbled with Liver Complaints, unless the most desperate of cases, when the second bottle will, with scarce a single failure, restore the patient to health and vigor. We wish to call the attention of all to these facts, that the Invigorator is compounded by a physician who has used it in his practice for the past twenty years, with a success almost credulous, and that it is entirely vegetable, being composed wholly of gums.

Some idea of the strength of these gums may be formed when it is known one bottle of the Invigorator contains as much strength as one hundred dozen of Colonel without any of its deleterious effects.

One bottle is the surest thing known to carry away the bad effects of mineral poison of any kind

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for Jaundice removes all yellowness or unnatural color from the skin.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring prevents nightmare.

One dose taken at night loosens the bowels gently, and cures costiveness.

One dose taken after each meal will cure Dyspepsia.

One dose of two tea-spoonsful will always relieve Sick Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Colic, while

One dose often repeated is a sure cure for Cholera Morbus, and a sure preventative of Cholera.

One dose taken often will prevent the recurrence of bilious attacks, while it relieves all painful feelings.

☞One or two doses taken occasionally is one of the best remedies for a cold ever known.

Thousands of cases of inflammation and weakness of the lungs have been cured by the Invigorator.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose often repeated cures Chronic Diarrhea in its worst forms, while summer and bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by worms, while for worms in children, there is no surer, safer and speedier remedy in the world as it never fails.

There is no exaggeration in these statements, they are plain and sober facts, that we can give evidence to prove, while all who use it are giving their unanimous testimony in its favor.

We wish all who are sick and debilitated to try this remedy, and test it thoroughly, and any who are not benefitted by its use we should like to hear from, as we have yet to hear from the first person who has used a bottle of the Invigorator without receiving benefit, for there are such astonishing medicinal virtues in it, that, no matter how long they have been diseased, if their complaint arises from a deranged liver, will be benefitted if not entirely cured.

PROF. WOOD'S

## HAIR RESTORATIVE

*IT HAS WORKED MIRACLES!!*

THAT ALL THE BALD AND GRAY CAN be restored perfectly to original growth, and color so far as their locks are concerned does not admit of doubt; besides, it will cure every possible disease of the scalp, whether developed as dandruff itching or in the shape of cutaneous eruptions—even scald-head—and in no possible case will it fail of curing as if by magic, nervous or periodical head-ache, and if used twice a week by the young regularly, it will preserve the color and keep the hair from falling, to any imaginable age. Read and judge:

Millford, Worcester co., Mass., Nov. 1855.

PROF. O. J. WOOD—Dear Sir: I take pleasure in bearing voluntary testimony to the magic effects of your wonderful Hair Restorative. As far back as 1836, my hair commenced falling off until the top of my scalp became bald and smooth as glass, and it has continued to fall for a great many years, notwithstanding I have used many celebrated preparations for restoration. Seeing your advertisement, I was induced to give your article a trial, and to my utter astonishment, found, after a few applications, that my hair became firmly set, and assumed a glossy and beautiful appearance; and by the time I had used a quart bottle, my bald head was covered over with a young and vigorous growth of hair, which is now from one to two inches in length, and growing fast. Yours, truly,

HENRY GODFRICH.

Charlestown, Mass., Aug. 9, 1855.

Gents:—Nothing but a duty and sympathy that I feel to communicate to others that are afflicted as I have been, would induce me to give this public acknowledgement of the benefit I have received from Prof. Wood's Hair Restorative.—When I first commenced using it, my hair was quite gray, and in spots entirely bald. I have now used the restorative about five months, and my hair is entirely changed to its original color, brown, and the new hair is over three inches in length on the spots where it was bald. I have also been much gratified at the healthy moisture and vigor of the hair, which before was dry, and it has ceased to come out as formerly.

Respectfully yours, &c.,

MRS. E. A. STODDARD.

From Mrs. Ingalls, a well known nurse in Boston.

Boston, Oct. 19, 1855.

Gents:—At your request, and being so highly pleased with the effects of the Restorative, I am free to state that my hair has become quite full, and entirely *white.* I have for the past five years been in the habit of using dye, but from the extraordinary effects of this article, I was induced to try it. My hair has been restored to its original thickness, and also to its former color, which is light brown. Yours, respectfully,

MRS. INGALLS.

The following is from the Pastor of the Congregational Church, Brookfield.

Brookfield, Mass., Jan. 12, 1855.

Prof. Wood—Dear Sir—Having made trial of your Hair Restorative, it gives me pleasure to say that its effects have been excellent in removing inflammation, dandruff, and a constant tendency to itching, with which I have been troubled from my childhood, and has also restored the hair, which was becoming gray, to its original color. I have used no other article with any thing like the same pleasure and profit.

Yours, truly, J. K. BRAGG.

WHAT IS IT FOR—THIS WOOD'S HAIR RESTORATIVE?—Is a question asked daily by hundreds. We answer without hesitation or fear of contradiction, that it is the only article known which will do all it promises to the human hair, *it will renew its growth—it will stop its falling—it will restore its natural color!* It is not a Hair Dye, but a speedy and effectual Restorative.
