SONS OF TEMPERANCE. Highland Division, No. 84. Sons of Temperance meet at their Hall every SATURDAY evening, in the upper story of R. David's building.

DR. MORSE'S INDIAN ROOT PILLS. DR. MORSE, the inventor of MORSE'S INDIAN ROOT PILLS, has spent the greater part of his life in traveling, having visited Europe, Asia and Africa as well as North America. He has spent three years among the Indians of the Western country, and it was in this way that the Indian Root Pills were first discovered. Mr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all parts sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become thicker and cease to act, and thus our high spirits and vigor will pass out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountains of the North American continent, and which induce the recovery of diseased man. One of the roots from which these Pills are made is a Scurdific which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectant, thus opening the passages to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out honorably by the kidneys. From the above, it is shown that Dr. Morse's Indian Root Pills do not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, becoming perfectly healthy, consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to exit out of the body. A large quantity of food and other matter is lodged and the stomach and intestines are literally overflowing with the corrupted mass; this undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery. And life is consequently at stake, and disease and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

A large quantity of food and other matter is lodged and the stomach and intestines are literally overflowing with the corrupted mass; this undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery. And life is consequently at stake, and disease and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to exit out of the body. ONLY ONE BOTTLE OF DR. SANDFORD'S INVIGORATOR, OR LIVER REMEDY. IS REQUIRED TO CURE ANY ONE, TROUBLED with Liver Complaints, unless the most desperate cases, when the SCOOP bottle will, with scarce a single failure, restore the patient to health and vigor. We wish to call the attention of all to these facts, that the Invigorator is compounded by a physician who has used it in his practice for the past twenty years, with a success almost credulous, and that it is entirely vegetable, being composed wholly of gums.

Some idea of the strength of these gums may be formed when it is known one bottle of the Invigorator contains as much strength as one hundred doses of Colman's nutmeg, or any of its deleterious effects. One bottle is the surest thing known to carry away the bad effects of mineral poison of any kind in the effects of medicine after a long sickness.

One bottle taken for Jaundice removes all yellowness or unnatural color from the skin. One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring. Only one dose taken before retiring prevents nightmares. One dose taken at night loosens the bowels gently, and cures costiveness. One dose taken after each meal will cure Dyspepsia.

One dose of two tea-spoonful will always relieve Sick Headache. One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure. Only one dose immediately relieves Cholera, when it is not too far advanced.

One dose often repeated is a sure cure for Cholera Morbus, and a sure preventative of Cholera. One dose taken often will prevent the recurrence of bilious attacks, while it relieves all pain full feelings. One or two doses taken occasionally is one of the best remedies for a cold ever known.

Thousands of cases of inflammation and weakness of the lungs have been cured by the Invigorator. One dose taken a short time before eating gives vigor to the appetite and makes food digest well. One dose often repeated cures Chronic Diarrhoea in its worst forms, while summer and bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by worms, while for worms in children, there is no surer, safer and speedier remedy in the world as this never fails. There is no exaggeration in these statements, they are plain and sober facts, that we can give evidence to prove, while all who use it are giving their unanimous testimony in its favor.

We wish all who are sick and debilitated to try this remedy, and test it thoroughly, and any who are not benefited by its use we should like to hear from, as we have never to hear from the first person who has used a bottle of the Invigorator without receiving benefit, for there are such astonishing medicinal virtues in it, that all, no matter how long they have been affected, if their complaint arises from a deranged liver, will be benefited in not entirely cured.
