The Wonder of the Age!

J. M. LINDSEY'S GREAT MEDICAL DISCOVERY.
A COVERTY!—Which is a purely vegetable Preparation, for the purifying of the blood, giving vigor to the Liver, stomach and bowels, and expelling from the system all morbid matter, and substituting in its stead a healthful activity thro' all the functions of life

HOW IT WAS DISCOVERED.
In the fall of 1854, a daughter of Mr. Lindsey was taken from malicious attack of Cancerum Ovis (Canker of the mouth). She had previously been prostrated by the attacks of Dysentery, Inflammation of the Lungs and Hæctic Fever, successively, which resulted in the above named disease in its worst form. Her condition was most deplorable—the mouth and cheek were literally rotten—the attending physician pronounced the case a hopeless one. Everything indicated a speedy and horrible death—a death of rotting out of life! At this critical juncture, Mr. Lindsey prepared a compound for the purpose of alleviating, possible, the pains of the little sufferer. She was made to eat freely, and in a short time to her delight astonished, there was a very perceptible change for the better.—The mouth began to put on a bright and healthy appearance—the foul breath became sweet—the appetite was restored, and the child seemed to partake of a new and fresh life.

Hope, and the use of the compound was faithfully continued, the result of which, with the blessing of God, was her complete restoration. She is now perfectly healthy! From this circumstance, Mr. Lindsey was led to prepare with greater care and exactness, what had so astonishingly cured his child, and continued his experiments until he succeeded in procuring a compound to perfection his *Great Remedy for Blood Impurity*—since which time its effects have been almost miraculous. Hundreds upon hundreds, by it, have been snatched from an untimely grave and restored to the sweets of health and the endearments of friends. The young and old have tested its saving power, and sing aloud its virtues, and they will not be satisfied until they have used it. After using Lindsey's Improved Blood Searcher, we felt as if a new life was stirring our veins, and under God we owe to it more than words can express.

But hear from their own lips and then judge of its valuable effects. The few testimonials that follow show that it is deservedly styled the *Greatest Discovery of this or any other age.*

J. M. LINDSEY,
Hollidaysburg, Blair county, Pa.

CERTIFICATES.

Pattonville, Bedford co., Pa., Oct. 14, '57. Mr. J. M. Lindsey,

Dear Sir:—I was severely afflicted with rheumatism for a whole year—nine months of which I was not able to leave my bed—when hearing of the wonderful effects of your Improved Blood Searcher, I determined to procure some of it and give it a fair trial. After using three bottles I was able to walk around again as usual, and am now wholly cured. I can recommend it to all who are similarly afflicted, and believe it is all it claims to be.

Yours truly,
JOHN SHAFER.

DESPERATE CASE OF TETTER AND BAIHERPES ICHI, cured by the use of Lindsey's Blood Searcher.

I, the undersigned, was severely afflicted with what was pronounced by my physicians to be a certain kind of Tetter and Barber's Itch. My condition was one of the greatest misery; my face was almost constantly running with the foul corruption that escaped from the tubercles, by which it was almost completely covered. After using the care of my physicians for near two months, without the least benefit, I was induced to make a trial of Lindsey's Blood Searcher, and the result was that in using one bottle and a half I found a perfect cure. I may also say that I suffered from what was called *the itch* as a result of the cure of my physicians for nearly a year, but without the slightest benefit. His even were running a thin watery humor almost constantly, which would crust his eyes beyond the power of opening them until they were washed and cleaned by soap and water. About the same time an abscess formed just below the groin which in due time broke and commenced a discharge, which was found impossible to dry up or heal—the bed would be very much stained and the clothing of the child perfectly sickening in a single night's time. After having the attentions of a physician for so long a time, and finding the child to be getting worse, we determined to try the effects of Mr. Lindsey's Blood Searcher. This was in last March—and before two weeks had passed away the change was manifest, and I am happy to say that in the use of a SINGLE BOTTLE our little boy has been restored perfectly to health. We cannot speak too highly of this invaluable medicine. It should be in every family—none should be without it. As a purifier of blood it is beyond all price!

DANIEL BOLLINGER,
Hollidaysburg, Pa., July 29, 1857.

AN INTERESTING CASE OF SCROFULA

cured by one bottle of Lindsey's Blood Searcher.—This certifies that about one year ago our little son aged four years, was most sorely afflicted with what the physicians pronounced to be scrofula, and was treated accordingly for nearly a year, but without the slightest benefit. His eyes were running a thin watery humor almost constantly, which would crust his eyes beyond the power of opening them until they were washed and cleaned by soap and water. About the same time an abscess formed just below the groin which in due time broke and commenced a discharge, which was found impossible to dry up or heal—the bed would be very much stained and the clothing of the child perfectly sickening in a single night's time. After having the attentions of a physician for so long a time, and finding the child to be getting worse, we determined to try the effects of Mr. Lindsey's Blood Searcher. This was in last March—and before two weeks had passed away the change was manifest, and I am happy to say that in the use of a SINGLE BOTTLE our little boy has been restored perfectly to health. We cannot speak too highly of this invaluable medicine. It should be in every family—none should be without it. As a purifier of blood it is beyond all price!
