ONLY ONE BOTTLE

DR. SANFORD'S INVIGORATOR, OR LIVER REMEDY.

IS REQUIRED TO CURE ANY ONE TRUELY diseased Liver. Chills, unless the most desperate cases, when the above bottle will, with scarce a single failure, restore the patient to health and vigor.

One bottle is the most tried known to carry away the bad effects of mineral poison of any kind.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for Jaundice removes all yellowness or unnatural color from the skin.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring prevents nightmares.

One dose taken at night lessens the bowels gently, and cures constiveness.

One dose taken after each meal will cure Dyspepsia.

One dose of two tea-spoonful will always relieve Sick Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Cholera, while.

One dose often repeated is a sure cure for Cholera Morbus, and a sure preventative of Cholera.

One dose taken often will prevent the recurrence of bilious attacks, while it relieves all painful feelings.

One or two doses taken occasionally is one of the best remedies for a cold ever known.

Thousands of cases of inflammation and weakness of the lungs have been cured by the Invigorator.

One dose taken a short time before eating gives vigor to the appetite and makes full digest well.

One dose often repeated cures Chronic Diarrhoea in its worst forms, while summer and bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by worms, while for worms in children, there is no safer, sweeter and speedier remedy in the world as it never fails.

There is no exaggeration in these statements, they are plain and sober facts, that we can give evidence to prove, while all who use it are giving their unanimous testimony in its favor.

We wish all who are sick and debilitated to try this remedy, and test it thoroughly, and any who are not debilitated by its use we should like to hear from, as we have yet to hear from the first person who has used a bottle of the Invigorator without receiving benefit, for there are such a number of medical virtuosos in it, that all, no matter how long they have been afflicted, if their complaint arises from a deranged liver, will be benefited in not more than a week.

SANFORD & Co. Proprietors, 345 Broadway, New York.

PROF. WOOD'S HAIR RESTORATIVE.

IT HAS WORKED MIRACLES!!

WHAT ALL THE BALD AND GRAY CAN be restored perfectly to original growth, and color so far as their locks are concerned does not admit of doubt; besides, it will cure every disposition of the scalp, whether described as dandruff itching, or in the shape of eruptions—extra scurf, and in no possible case will it fail of curing as if by magic, herons or perked head-ache, and if used twice a week by the young regularly, it will preserve the color and keep the hair from falling, or any imaginable disease. Beware of cheap imitations.

Milford, Vt. Winter Session, Nov. 1855.

PROF. W. WOOD—Dear Sir: I take pleasure in bearing voluntary testimony to the magical effects of your wonderful Hair Restorative. As far back as 1846, my hair commenced falling out until the top of my scalp became bald and smooth as glass, and it has continued to fall for a great many years, notwithstanding I have used every celebrated preparation for restoration. Seeing your advertisement, I was induced to give your article a trial, and to my utter astonishment, found, after a few applications, that my hair began to grow, and assumed a glossy and beautiful appearance; and by the first I had used a quart bottle, my bald head was covered over with a young and vigorous growth of hair, which is now from two to two inches in length, and growing fast. Yours, truly, HENRY GOODRICH.

Charlestown, Mass., Aug. 9, 1855.

Genl.—Nothing but a duty and sympathy that I feel to communicate to others that are afflicted as I have been, would induce me to give this public acknowledgment of the benefit I have received from Prof. Wood's Hair Restorative. When I first commenced using it, my hair was quite gray, and in spots entirely bald. I have now used the restorative about five months, and my hair is entirely changed to its original color, brown, and the new hair is over three inches in length on the spots where it was bald. I have also been much gratified at the healthy moisture and vigor of the hair, which before was dry, and it has ceased to come out so freely. Respectfully yours, &c. Mrs. R. A. STODDARD.

From Mrs. Ingalls, a well known nurse in Boston, Boston, Oct. 10, 1855.

Genl.—At your request, and being so highly pleased with the effects of the Hair Restorative, I am free to state that my hair had become quite thin, and entirely white. I have for the past five years been in the habit of using dye, but having of the extraordinary effects of this article, I was induced to try it. My hair has been restored to its original thickness, and also to its former color, which is light brown. Yours, respectfully, MRS. INGALLS.

The following is from the Pastor of the Orthodox Church, New York.

Brookfield, Mass., Jan. 12, 1855.

Prof. Wood—Dear Sir—Having made trial of your Hair Restorative, it gives me pleasure to say that its effects have been excellent in removing inflammation, dandruff, and a constant tendency to itching, with which I have been troubled from my childhood, and has also restored my hair, which was becoming gray, to its original color. I have used no other article with anything like the same pleasure and profit. Yours, truly, J. K. BRAGG.

[From the Jersey City Telegraph.]

WHAT IS IT FOR?—THIS WOOD'S HAIR RESTORATIVE is a question asked daily by hundreds of persons, and the answer is, that it is a medicine which will do all it promises for the human hair—it will restore its growth, it will stop its falling—it will restore its natural color! It is not a Hair Dye, but a speedy and efficacious Restorative.
