The Wonder of the Age!

J. M. LINDSEY'S GREAT MEDICAL DISCOVERY!
Which is a purely vegetable Preparation, for the purifying of the blood, giving vigor to the Liver, stomach and bowels, and existing from the system all morbid matter, and substituting in its stead a healthful matter, and all the functions of life.
HOW IT WAS DISCOVERED.
In the fall of 1854, a daughter of Mr. Lindsey was suffering from a malignant attack of Cancer of the Liver (Cancer of the mouth). She had previously been prostrated by the attacks of Dysentery, inflammation of the Lungs and Hectic Fever, successively, which resulted in the above named disease in its worst form. Her condition was most deplorable—her mouth and cheeks were literally rotten—the attending physician pronounced the case a hopeless one. Everything in the way of medicine and surgery failed, and she died in the most agonizing manner, and a death of the most fearful nature.
Mr. Lindsey prepared a compound for the purpose of alleviating the pain of the patient, and in a short time, to his most delightful astonishment, there was a perceptible change for the better—the mouth began to put on a bright and healthy appearance—the food she took became sweet—the appetite was restored, and the child seemed to partake of a new and fresh life.
Hope was inspired, and the use of the compound was faithfully continued, the result of which was the blessing of God, was her complete restoration. She is now perfectly healthy! From this circumstance, Mr. Lindsey was led to prepare with greater care and attention, what his experimental efforts until he succeeded in his preparation, which time it is his duty to state, has been almost miraculous. He has since upon hundreds of graves and restored to the sweets of health and the endearments of friends. The young and old virtues, say they, are now being sung aloud in praise of the "Blood Searcher," and under God we owe it more than words can express.
But hear from their own lips and then judge of its valuable effects. The following testimonial that it is indeed truly the "Great Discovery" of this or any other age.

CERTIFICATES.

Pattonville, Bedford Co., Pa., Oct. 14, '57.
Dear Sir:—I was severely afflicted with rheumatism, for a whole year—my months of which I was not able to leave my bed—when hearing of the wonderful effects of your Improved Blood Searcher, I determined to procure some of it and give it a fair trial. After using three bottles I was enabled to walk around again as usual, and am now wholly cured. I can recommend it to all who are similarly afflicted, and believe it is all that claims to be.
Yours truly,
JOHN SHAFER.
