REES JNO. LLOYD. We, the undersigned Directors of the Poor and House of Employment of Cambria County beg leave to offer the following report. In pursuance of an act of Assembly passed the 5th day of May, A. D. 1854, a farm was purchased, and the necessary buildings erected thereon for the use of the poor of said County at a Cost of about \$25-000, including the furniture and the necessary

fixtures of said building. The house erected for the use of said Poor, has been completed and pumpers were received by the Directors in November last. The number of inmates at the present time number sixty, which number includes eight insane persons who were removed from the State Lupatic Hospital a few days ago, where they have been kept at a very great expense to the County for the last six years. The amount already expended makes the oum of \$18500; leaving an indebtedness of about \$6500 which sum is now bearing interest and should be liquidated as speedily as possible. The Directors would therefore arge the collection of Taxes with dispatch and further state that after said indebtedness is liquidated the taxes will be greatly reduced from what they have been for

the last two years. There was purchased for the use of the farm 2 Horses. Wagon, Gears, 5. head of horned Cat. tle. 5 head of bogs, the cost of which is included in the amount first stated. Given under our hands this 22d day of Janu-
