The Wonder of the Age!
J. M. LINDSEY'S GREAT MEDICAL DISCOVERY—Which is a purely vegetable Preparation, for the purifying of the blood, giving vigor to the Liver, stomach and bowels, and expelling from the system all impurities, and substituting in its stead a healthful activity thro' all the functions of life.
HOW IT WAS DISCOVERED.
In the fall of 1854, a daughter of Mr. Lindsey was suffering from a malignant attack of Cancer of the Ovary (Cancer of the mouth). She had previously been prostrated by the attacks of Dysentery, Inflammation of the Lungs and Hectic Fever, successively. Her condition in the above named disease in its worst form. Her condition was most deplorable—her mouth and cheeks were literally rotten—the attending physician pronounced the case a hopeless one. Everything indicated a speedy and horrible death—a death of rotting out of life. At this critical juncture, Mr. Lindsey prepared a compound for the purpose of alleviating, possible, the pains of the little sufferer. She was made to use it freely, and in a short time, to his most delightful astonishment, there was a very perceptible change for the better.—The mouth began to put on a bright and healthy appearance, her breath became sweet—and her appetite was restored, and the child seemed to partake of a new and fresh life.
Hope was inspired, and the use of the compound was faithfully continued, the result of which, with the blessing of God, was her complete restoration. She is now perfectly healthy. From this circumstance, Mr. Lindsey was led to prepare with greater care and exactness, what had so astonishingly cured his child, and continued his experimental efforts until he succeeded in bringing to perfection his *Great Remedy for Blood Impurity*—since which time its effects have been almost miraculous. Hundreds upon hundreds, by it, have been snatched from an untimely grave and restored to the sweets of health and the endearments of friends. The young and old have tested its saving powers and sing aloud its virtues. Say they—'after using Lindsey's Improved Blood Searcher, we felt as if a new life were stirring our veins, and under God we owe to it more than words can express.
But hear from their own lips and then judge of its valuable effects. The few testimonials that follow show that it is deservedly styled the *Great Discovery of this or any age.*

CERTIFICATES.
Pattonville, Bedford co., Pa., Oct. 14, '57.
Mr. J. M. Lindsey,
Dear Sir:—I was severely afflicted with rheumatism for a whole year—some months of which I was not able to leave my bed—when hearing of the wonderful effects of your Improved Blood Searcher, I determined to procure some of it and give it a fair trial. After using three bottles I was able to walk around again as usual, and am now perfectly cured. I can recommend it to all who are similarly afflicted, and believe it is all it claims to be.
Yours, truly,
JOHN SHAFER.

DESPERATE CASE OF TETTER AND RABBIT'S ITCH, cured by the use of Lindsey's Blood Searcher.
The undersigned, sometime in last March, was afflicted with a certain kind of Tetter and Barber's Itch.—My condition was one of the greatest misery; my face was almost constantly running with the foetid corruption that exhaled from the tubercles, by which I felt almost completely excluded from being under the care of my physicians. I had, in two months, without the least benefit, I was induced to make a trial of Lindsey's Blood Searcher, and the result was that in using one bottle and a half I found a perfect cure. I may also say that I eagerly returned to my usual and regular mode of living, and was never recommended as a cure. Such was my recovery, and I have even resorted to the dangerous experiment of pouring pure creosote on my face and neck, but all to no purpose—the Blood Searcher was the first and only thing that did me any good. As a blood purifier it is unequalled, and I have great reason to be grateful that I have a trial of its healing virtues, and I confidently recommend it to any who may suffer from Tetter, or any other disease arising from an impure state of the blood.
JOHN DEHEUNT,
Hollidaysburg, Pa., July 29, 1857.

AN INTERESTING CASE OF SCORFULA cured by one bottle of Lindsey's Blood Searcher.
This certifies that about one year ago our little son aged four years, was most sorely afflicted with what the physicians pronounced to be scorfula, and was treated accordingly for nearly a year, but without the slightest benefit. His eyes were running a thin watery humor almost constantly, which would encrust his eyes beyond the power of opening them until they were washed and cleaned by soap and water. About the same time a disease found its way into his head, which in due time broke and formed a discharge, which was found impossible to dry up or heal—the bed would be very much stained and the clothing of the child perfectly sickening in a single night's time. After leaving the attentions of a physician for so long a time, and finding the child to be getting worse, we determined to try the effects of Mr. Lindsey's Blood Searcher. This was in last March—and before two weeks had passed away the change was manifest, and I am happy to say that in the use of a SINGLE BOTTLE our little boy has been restored perfectly to health. We cannot speak too highly of this invaluable medicine. It should be in every family—none should be without it. As a purifier of blood it is beyond all price!
DANIEL BOLLINGER,
Hollidaysburg, Pa., July 29, 1857.

Dr. J. M. Lindsey.
Dear Sir: I have been using your Improved Blood-Searcher since some time last summer, and I deem it to be a matter of duty to bear my testimony to its *vigorating blood-restorative virtues* I have been, for a number of years, severely troubled with *scorfula and general debility*; but since I put myself under the influence of your Improved Blood Searcher, I find a very decided improvement. Indeed, my acquaintances frequently remark, that I look so "fat and hearty," and I know of no other cause than the use of your Improved Blood Searcher. Judging from my own experience, I believe this is one of the most valuable medicines that woman can use, especially those who are or have entered upon the decline of life (from 40 to 50 years of age). I feel that it would have been above ingratitude on my part to have withheld this testimony, and in thus consenting to appear as a witness before the public, I have been actuated solely with regard to the voice of conscience and duty. You are at liberty to make whatever use you may deem proper of this statement.
Yours, respectfully,
MARGARET W. O'DONNELL.

LIVER COMPLAINT CURED BY LINDSEY'S IMPROVED BLOOD SEARCHER.
Blair county, Pa.—Personally appeared before me, one of the Justices of the Peace, in and for Blair county, George Kopp, who, being duly sworn according to law, doth depose and say:—Two years ago I was afflicted with pain between the shoulders, almost constant cough, loss of appetite, chills, night sweats, and very subject to take colds; I, at length, became so weak that I could hardly walk; my physician done me no good. Sometime last fall I commenced taking Lindsey's Improved Blood Searcher, and by the use of two bottles was perfectly cured. I feel to recommend it to all who suffer from Liver diseases, general debility, loss of appetite, and other diseases arising from impurity of the blood.—I would not like to do without it. I consider it an excellent family medicine.
(Signed.)
GEORGE KOPP.

DESPERATE CASE OF AGUE AND DYSPESIA cured by the use of Lindsey's Improved Blood Searcher.
The undersigned, as a *Personally* appeared before me, the subscriber, one of the Justices of the Peace, in and for said county, John Moran, who being duly sworn according to law, doth depose and say, that in the spring of 1855, I was a victim to that worst of diseases—dyspepsia, and that in its worst form. My appetite was completely gone, and when, in order to preserve life, I would force myself to swallow a mouthful of food, the stomach would immediately loath it, and cast it forth with the spittle. I had also been suffering from the Ague; each attack lasting about nine months out of the twelve, so that, with the ague and dyspepsia, I was scarcely able to get on my feet; I thought I must die; my physician could do me no good. Such was my condition, when Mr. Lindsey supplied me with a bottle of his Improved Blood Searcher, assuring me it would work a cure. I commenced its use with but little confidence, but in one week's time, so great was its restorative power, I found my appetite to return, my stomach received a new tone so that I could eat anything without the slightest inconvenience, and before its healing touch the ague fled as from a charm; my liver I enjoy a better state of health than I had for many years before; I am strong and hearty, and I feel confident that, under the blessing of God, I owe all to the invaluable Improved Blood Searcher. I believe it not to be only a sure remedy for ague but an infallible *preventative*, and, as such, I would recommend it to all who are afflicted with it, or whose residences, expose them to this dreadful pest of humanity. Dyspepsia cannot stay where the Improved Blood Searcher is properly used.—I feel it my duty to point all who suffer, to this all-healing medicine.
(Signed.)
JOHN MORAN.

DR. MORSE'S INDIAN ROOT PILLS.
DR. MORSE, the inventor of MORSE'S INDIAN ROOT PILLS, has spent the greater part of his life in traveling, having visited Europe, Asia and Africa as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered, and it was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health and life depended upon this vital fluid.
When the various passages become clogged, and do not act in perfect harmony with the different parts of the body, the blood loses its action, becomes thick, and impure, and diseased; thus causing all parts sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will be come clogged and cease to act, and thus our life will be forever blown out. How important then, that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots that grow in the mountains of the West, and are richly laden with the most salutary and healthy properties. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists nature in throwing out the four parts of the corruption within. The second is a plant which is an Expectorant, that purges the lungs, and opens the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large quantities of impurity from the blood, which is then thrown out hourly by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the course of the impurities, which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels. From the above, it is shown that Dr. Morse's Indian Root Pills not only cure the stomach, but become united with the blood, for they find way to every part, and completely purify and cleanse the system from all impurities, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.
The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine that will purify the system, and break up all the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged and the stomach and intestines are literally overflowing with the corrupted mass; this undergoes a disagreeable fermentation, constantly mixing with the blood, which thro' the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long, and happy life will cheer and brighten your days.

LOGAN HOUSE.
CORPORAL JOHN KIFFER.
WOULD respectfully inform his old friends and the travelling public that he has prepared the Logan House, Hollidaysburg, and that he has a liberal patronage of the public in an objectionable style. The HOUSE has been recently furnished out in a style not surpassed by any furnished in the interior of the State. His TABLES are always supplied with all the substantial delicacies of the season, and attended by five servants. In a word, no pains will be spared to make the Logan a first class house, and to give it will be left undone to render its guests comfortable and happy.
The STABLES, which are extensive, are attended by honest and faithful hostlers.
RESTAURANT.—The basement is provided as a Restaurant, where meals will be served at all hours of the day, together with wild game, fish and all the delicacies of the season. JOHN KIFFER.
