The Wonder of the Age M. LINDSEY'S GREAT MEDICAL DIS-J. M. LINDSEY'S GREAT MEDICAL DIS-COVERY ! - Which is a purely vegetable Preparation, for the purifying of the blood, giving vigor to the Liver, stomach and bowels, and expelling from the system all morbid matter, and substituting in its stead a healthful activity thro' all the functions of life.

Aledical Viscouery.

HOW IT WAS DISCOVERED.

In the fall of 1854, a daughter of Mr. Lindsey was suffering from a malignant attack of Cancrum Oris (Canker of the mouth.) She had previously been prostrated by the attacks of Dysentary, Inflamation of the Lungs and Hectic Fever, successively, which resulted in the above named disease in its worst form. Her condition was most deplorable-her mouth and cheek were literally rotten-the attending physician pronounced the case a hopeless one. Everything inaicated a speedy and horrible death-a death of rotting out of life! At this critical juncture, Mr Lindsey prepared a compound for the purpose of alleviating, possible, the pains of the little sufferer. She was made to use it freely, and in a short time, to his most delightful astonishment, there was a very perceptible change for the better .--The mouth began to put on a bright and healthy appearance-the foul breath became sweet-the appetite was restored, and the child seemed to partake of a new and fresh life.

Hope was inspired, and the use of the com-pound was faithfully continued, the result of which, with the blessing of God, was her oomplete restoration. She is now perfectly healthy ! From this circumstance, Mr. Lindsey was led to prepare with greater care and exactness, what had so astonishly cured his child, and continued his experimental efforts until he succeeded in bringing to perfection his Great Remedy for Blood Impurity-since which time its effects have been almost miraculous. Hundreds upon hundeds, by it, have been snatched from an untimey grave and restored to the sweets of health and he endearments of friends. The young and old have tested its saving powers and sing aloud its virtues. Say they-"after using Lindsey's Improved Blood Searcher, we felt as if a new life was stirring our veins, and under God we owe to it more than words can express.

But hear from their own lips and then judge of its valuable effects. The few testimonials that follow show that it is deservedly styled the Greatest Discovery of this or any other age. J. M. LINDSEY,

Mr. J. M. Linpsey. Dear Sir :-- I was severely afflicted with rheumatism for a whole year-nine months of which I was not able to leave my bed-when hearing G. S. Christy, J. K. After using three bottles I was able to walk aroundragain as usual, and am now wholly cured. I can recommend it to all who are similarly afflicted, and belie it is avleitl claims to be. JOHN SHAFFER. I was a vic-tim to that worst of diseases—dyspepsia, and that BAR with the choicest of Liquors, and to pair in iss worst form. My appetite was completely gone, and when, in order to preserve life, I would force myself to swallow a mouthful of food, the stomach would immediately loath it, and cast it forth with the spittle. I had also been suffering

from the Ague; each attack lasting about nine months out of the twelve, so that, with the ague and dyspepsia, I was reduced as I though beyond ed the Logan House. Hollidaysburg, and is r recovery; I thought I must die; my physician pared to entertain all who may favor him could do me no good. Such was my condition, their patronage in unobjectionable style when Mr. Lindsey supplied me with a bottle of his Improved Blood Searcher, assuring me it would work a cure. I commenced its use with in the interior of the State. His TABLE but little confidence, but in one week's time--so great was its restorative powers-I found my appetite to return, my stomach received a new tone so that I could eat anything without the slightest inconvenience, and before its healing touch the ague fled as from a charm ; nor have I been troubled with ague or dyspepsia since. I enjoy a better state of health than I had done for fifteen years before; I am strong and hearty, and I feel confident that, under the blessing of God, I owe all to the invaluable Improved Blood Searcher. I believe it not to be only a sure remedy for ague but an infallible preventative, and, as such, I

would recommend it to all whose business, habits or residences, expose them to this dreadful pest of humanity. Dyspepsia cannot stay where the Improved Blood Searcher is properly used.-I feel it my duty to point all who suffer, to this all- healing medicine.

DESPERATE CASE OF TETTER AND BARBER'S ITCH, cured by the use of Lindsey's Blood Searcher. I, the undersignedt some time in last March, was severely affliced, with what was prenounced by my physicians to be a certain kind of Tetter and Barber's Itch .--My condition was one of the greatest misery ; my face was almost constantly running with the foul corruption that escaped from the tubercles, by which it was almost completely covered. After being under the care of my physicians for nerr two months, without the least benefit, I was induced to make a trial of Lindsey's Blood Search er, and the result was that in using one bottle and a half I found a perfect cure. I may also say that I eagerly tried whatever was recommended as a cure. Such was my wretchedness that I even resorted to the dangerous experiment of pouring pure creosote on my face and neck, but all to no purpose-the Blood Searcher was the first and only thing that did me any good. As a blood purifier it is unequalled, and I have great reason to be grateful that I ever made a trial of its healing virtues, and I confidently recommend near it, but what they can supply to their cus- it to any who may suffer from Tetter, or any othtomers, at least as cheap as they can be had in er disease arising from an impure state of the JOHN DELEHUNT. blood. > A N INTERSETING CASE OF SCROFULA cured by one bottle of Lindsey's Blood Searcher .- This certifies that about one year ago our little son aged four years, was most sorely afflicted with what the physicians pronounced to be scrofula, and was treated accordingly for nearly a year, but without the slightest benefit. His eyes were running a thin watery humor almost constantly, which would encrust his eyes beyond the power of opening them until they were washed and cleaned by soap and water. About the same time an abscess formed just below the groin which in due time broke and commenced a discharge, which was found impossible to dry up or heal-the bed would be very much stained and Ebensburg, the clothing of the child perfectly sickening in a single night's time. After having the attentions of a physician for so long a tune, and finding the child to be getting worse, we determined to try the effects of Mr. Lindsey's Blood Searcher. This was in last March-and before two weeks had passed away the change was manifest, and I am happy to say that in the use of a SINGLE BOT-TLE our little boy has been restored perfectly to health. We cannot speak too highly of this invaluable medicine. It should be in every family -none should be without it. As a purifier of lood it is beyond all price ! DANIEL BOLLINGER.
