Dover, N. H., Feb. 2, 1857. Prof. O. J. WOOD & CO. -Gents: Within a few days we have received so many orders and calls for Prof. O. J. Wood's Hair Restorative, that to-day we were compelled to send to Beston for a quantity. (the 6 dozen you forwarded all being sold,) while we might order a quantity from you. Every bottle we have sold seems to have produced three or four new customers, and the approbation and patronage it receives from the most substantial and worthy citizens of our vicinity, fully convinces us that it is A MOST VALUABLE PREPARATION.

Hickory Grove St. Charles Co. Mo., 1 Nov. 19, 1856. Prof. O. G. WOOD-Dear Sir: Some time last summer, we were induced to use some of your Hair Restorative, and its effects were so wonderful, we deem it our duty to you and the

afflicted, to report it. Our little son's head for some time had been perfectly covered with sores, and some called it cald-head. The hair almost entirely came of in consequence, when a friend, seeing his sufferings, advised us to use your Restorative. We did so, with little hopes of success; but, to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out. and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair, as any other child. We can therefore, and do hereby recommend your Restorative as a perfect remedy for all diseases of the scalp and hair.

We are, yours respectfully, GEORGE W. HIGGINBOTHAM, SARAH A. HIGGINBOTHAM. Gardiner, Maine, June 22, 1855.

Prof. O. J. Wood-Dear Sir: I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the Hair. Before using it I was a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as my case is one of the worst kind.
