

PEN AND SCISSORS.

A company of Ethiopian Serenaders visited our town last Monday, and in the evening, favored our citizens with concerts at several of the most public street corners. After the concerts were concluded, the services of the aforesaid Ethiopians were secured by several gallant young men for the purpose of serenading the fair ladies of our borough, and a number of sleeping beauties were awakened at the "witching hour of night" by the sweet notes of "Willie, we have missed you, Nelly Gray." "What's the matter, Willie?" "We understand, however, that the "Step that knocking at the door" was not at all unexpected. We also understand several ladies clamored so loudly that they were not aware of the "honor conferred," until informed of it by their loving swains next morning. The performance was finally concluded with a magnificent after-piece, consisting of a break-down and knock-down, and the serenade was over. We never yet knew a serenade to prove a failure when young men, as on this occasion, went into it with ardent spirits. As we were not one of the serenading party, we cannot vouch for the correctness of all the particulars contained in the foregoing item.

THE GREAT BEAUTIFIER, So long Unsuccessfully Sought, FOUND AT LAST!!

FOR IT RESTORES PERMANENTLY Gray Hair to its original color; covers luxuriantly the bald head; removes all dandruff, itching and scurf, and all eruptions; makes the hair soft, healthy and glossy; and will preserve it to any imaginable age; removes, as if by magic, all blotches, &c., from the face, and cures all neuralgia and nervous headache. See circular and the following. Dover, N. H., Feb. 2, 1857.

Prof. O. J. WOOD & CO.—Gents: Within a few days we have received so many orders and calls for Prof. O. J. Wood's Hair Restorative, that to-day we were compelled to send to Boston for a quantity, (the 6 dozen you forwarded all being sold,) while we might order a quantity from you. Every bottle we have sold seems to have produced three or four new customers, and the approbation and patronage it receives from the most substantial and worthy citizens of our vicinity, fully convinces us that it is A MOST VALUABLE PREPARATION.

Send us soon as may be one gross \$1 size, and one dozen \$2 size; and believe me yours, very respectfully. (Signed) DANIEL LATHROP & CO. Hickory Grove, St. Charles Co. Mo., Nov. 19, 1856. J.

Prof. O. G. WOOD—Dear Sir: Some time last summer, we were induced to use some of your Hair Restorative, and its effects were so wonderful, we deem it our duty to you and the afflicted, to report it.

Our little son's head for some time had been perfectly covered with sores, and some called it scald-head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative. We did so, with little hopes of success; but, to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has a healthy scalp, and as luxuriant a crop of hair, as any other child. We can therefore, and do hereby recommend your Restorative as a perfect remedy for all diseases of the scalp and hair.

We are, yours respectfully, GEORGE W. HIGGINBOTHAM, SARAH A. HIGGINBOTHAM, Gardiner, Maine, June 22, 1855.

Prof. O. J. Wood—Dear Sir: I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the hair. Before using it I was a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as my case is one of the worst kind. Yours respectfully, DANIEL N. MURPHY, New York, 212 Broadway, N. Y., [in the great N. Y. Wire Railing Establishment,] and 114 Market St., St. Louis, Mobile, and Sold by all good Druggists. sep15-3m

THE LIVER INVIGORATOR PREPARED BY DR. SANFORD, IS A GREAT scientific Medical Discovery, and is daily working cures almost to great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice or Dyspepsia to a common headache, all of which are the result of a diseased Liver.

The Liver is one of the principal regulators of the human body, and when it performs its functions well, the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the Liver—having ceased to do its duty. For the diseases of that organ, one of the proprietors has made it his study, in a practice of more than twenty years, to find some remedy where-with to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with Liver Complaints in any of its forms, has but to try a bottle, and conviction is certain.

A compound has been formed by dissolving gums and extracting that part which is soluble for the active virtues of the medicine. These gums remove all morbid or bad from the stomach, supplying in their place a healthy system of bile, invigorating the stomach, causing a practice of more purifying the blood, giving tone and health to the whole machinery, removing the causes of the disease, and effecting a radical cure without any of the disagreeable after effects which usually attend Calomel or Mineral Pison, that is usually resorted to.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring. Only one dose taken before retiring prevents nightmare.

Only one dose taken at night loosens the bowels gently, and cures constiveness. One dose taken after each meal will cure Dyspepsia.

One dose or two teaspoonfuls will all ways relieve Sick-Headache. One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Cholera, while one dose of opium is a sure cure for Cholera Morbus, and a preventive of Cholera.

One dose taken often will prevent the recurrence of bilious attacks, while it relieves all painful feelings.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness. One bottle taken for jaundice removes all yellowness or unwhiteness from the skin, and gives evidence to prove, while all who have given their unanimous testimony in its favor.

Among the hundreds of Liver Remedies now offered to the public, there are none we can so fully recommend as Dr. Sanford's Invigorator, so generally known now throughout the Union—This preparation is truly a Liver Invigorator, producing the most happy results on all those who use it. Almost innumerable certificates have been given of the great virtue of this medicine by those of the highest standing in society, and we know it to be the best preparation now before the public.—Hudson County Democrat.
