Nov. 19, 1856. Prof. O. G. WOOD-Dear Sir: Some time ast summer, we were induced to use some of your Hair Restorative, and its effects were so wonderful, we deem it our duty to you and the afflicted, to report it.

Our little son's head for some time had been perfectly covered with sores, and some called it scald-head. The hair almost entirely came of in consequence, when a friend, seeing his sufferings, advised us to use your Restorative. We did so, with little hopes of success; but, to our surprise, and that of al! our friends, a very few spplications removed the disease entirely, and & new and luxuriant crop of hair soon started out; and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair, as any other child. We can therefore, and do hereby recommend your Restorative as a perfect retaedy for all diseases of the scalp and hair.
