PEN AND SCISSORS.

THE NEW EL DORADO.—A few months ago considerable excitement was created in every part of the country, but especially in California, by the announcement of the discovery of large quantities of gold on Frazer river.—The *diggings* were said to be the richest yet discovered, and a regular stampede was immediately made for the El Dorado. The emigration was so extensive from California that business was seriously affected, and a number of large towns almost deserted.—Dazzled by the prospect of immediate wealth, hundreds who were doing a prosperous business departed with scarcely a months' previous preparation, for the new *diggings*, expecting to return in a few days immensely wealthy. Late news from California convince us that the glowing hopes of the Frazer river goldseekers have not been realized. In a word, Frazer river is a humbug. The emigrants to it are returning to their old homes, many of them ruined in health and fortune, all greatly and disheitted. Instead of wealth, they encountered sickness, hunger fatigue and misery, in all its varied forms. The truth is, no diggings have been discovered on Frazer river which will pay for the working.

☞ THE SCHOOL MASTER ABROAD.—A young man, named Philip Arthur, was arrested in this place last night and lodged in our County Jail. He is charged with having stolen a horse from a Mr. Gephart, hotel keeper in Frankstown, Blair county. The following are the facts as far as we are able to ascertain them. Arthurs was employed as teacher of the public school in Frankstown, and boarded with Gephart; some time last week he requested Gephart to loan him his horse for the purpose of making a short trip into the country. Gephart refused to do so. Arthurs a short time afterwards went to the stable, saddled and mounted the horse, told the hostler that all was right, started and was soon out of sight. Mr. Gephart on being informed of the circumstance, regarded it as nothing more than a specimen of cool impudence, and, of course, supposed that Arthurs would soon return with the horse.

However, after several days had elapsed, and nothing heard from the "schoolmaster abroad," Mr. Gephart became uneasy, procured a warrant and started immediately in pursuit, but could not succeed in obtaining any clue to the whereabouts of the offender. On his way home, he stopped in this place, and requested several of our citizens to be on the look-out for the *gentleman* thief. Yesterday Arthur entered this town on foot, *about noon*, by way of the Carrolltown road, and was recognized by a gentleman who has known him for years. He stopped at Thompson's Mountain House, told the landlord he had been travelling all night and requested to be shown to bed. He was a few hours afterwards arrested, and is now safe in durance vile' He will of course be removed immediately to Blair county, there to be dealt with according to law. No information has been obtained concerning the horse.

☞ A Meeting was held on Friday evening last, in the Dining-room of the Cambria House, Jefferson, by calling Col M. D. Magehan to the Chair, and appointing Abel Lloyd and William H. Gardner, Esqs., Secretaries. On motion, John Fenlon, Abraham Kopelin and Albert Cantwell, Esqs., were appointed a Committee, when the following resolutions were adopted, in compliment to G. GIVEN, Esq., host of the Cambria, and his gentlemanly assistant, Col. B. MCDERMIT, for the *kindness* displayed to their guests during the past week:

Whereas, Our good fortune has consigned us for the last week to the gentlemanly care of John G. Given, Esq. and Col B. M'Dermit, from whom we have received so many acts of kindly attention, which we think requtire more than a passing notice; therefore,

Resolved, That we do hereby tend to John G. Given, Esq and his amiable lady, and to Col. B. M'Dermit, our sincere thanks for the continued acts of kindness, for the sumptuous repasts, and for the uniform urbanity extended to us during our stay with them;

Resolved, That the proceedings of this meeting be published in the county papers.

The meeting was then addressed by Col. Magehan, A. Kopelin, and P. S. Noon, Esqs., who spoke in the highest terms of the various merits of their respective hosts, as gentlemen, soldiers, and unrivalled public entertainers. Mr Gardner then introduced Major T. A. Maguire, who responded in a neat and appropriate speech in behalf of the noble-hearted hosts and hostess, after which, on motion, the meeting adjourned.

☞ Our neighbor of the Hollidaysburg *Whig* don't appear to altogether credit the statement in our paper a short time since, with regard to the quantity of intoxicating liquor annually consumed in Ebensburg. He doubtless supposes he is right in doubting the sobriety of the Ebensburghers, but we beg leave to assure him that the premises on which he builds his conclusions rest on a sandy foundation. It is true a few of our citizens, when a clever fellow like the editor of the *Whig* who likes *something to take* occasionally, calls round to see them, will go through the motions of taking a drink, just merely for the purpose of being sociable. "The very head and front of their offending hath this extent, no more." Who on beholding one of his neighbors "half seas over" under these circumstances would not commend his heroism in thus voluntarily offering himself as a martyr in the cause of hospitality.

☞ At a meeting of the County Commissioners, last Saturday, Lewis Fisher was sworn into office, and the following appointments for the ensuing year made:

Commissioner's Clerk—Geo. C. K. Zahm.
" *Counsel*—John S. Rhey.
Mercantile Appriser—Francis P. Tierney.

These are all excellent appointments. Messrs Rhey and Zahm are too well known to the people to require any praise at our hands. Mr. Tierney is an intelligent and energetic young man, and a Democrat that can always be relied on.

MARRIED—On the 11th inst., by the Rev. Mr. Montgomery, Mr. JACOB WAGNER, of Jackson township, to Mrs. KILTY, of Blacklick township.

When loving people heart and hand,
Are solemnly united,
In wedlock's pure and holy band,
How they must feel delighted.

☞ The great question at the present time is, "Which is the easiest way to make money?" It is well known that in order to make money it is necessary to save money, and one of the easiest and surest ways of so doing is to buy a Grover & Baker Sewing Machine, by which means you can save double the price of one, besides having neater and more durable sewing.

Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, to combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

Prof. O. J. WOOD & CO. -Gents: Within a few days we have received so many orders and calls for Prof. O. J. Wood's Hair Restorative, that to-day we were compelled to send to Boston for a quantity, (the 6 dozen you forwarded all being sold,) while we might order a quantity from you. *Every bottle we have sold seems to have produced three or four new customers*, and the approbation and patronage it receives from the most substantial and worthy citizens of our vicinity, fully convinces us that it is A MOST VALUABLE PREPARATION.

Send us as soon as may be one gross $1 size, and one dozen $2 size; and believe me yours, very respectfully,

(Signed) DANIEL LATHROP & CO.

Hickory Grove, St. Charles Co. Mo., Nov. 19, 1856.

Prof. O. G. WOOD—Dear Sir: Some time last summer, we were induced to use some of your Hair Restorative, and its effects were so wonderful, we deem it our duty to you and the afflicted, to report it.

Our little son's head for some time had been perfectly covered with sores, and some called it scald-head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative. We did so, with little hopes of success; but, to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair, as any other child. We can therefore, and do hereby recommend your Restorative as a perfect remedy for all diseases of the scalp and hair.

We are, yours respectfully,
GEORGE W. HIGGINBOTHAM,
SARAH A. HIGGINBOTHAM.

Gardiner, Maine, June 22, 1855.

Prof. O. J. Wood—Dear Sir: I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the Hair. Before using it I was a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as my case is one of the worst kind.

Yours respectfully,
DANIEL N. MURPHY.

THE
LIVER INVIGORATOR!!

PREPARED BY DR. SANFORD, IS A GREAT scientific Medical Discovery, and is daily working cures almost to great too believe. It cures as if by magic, *even the first dose giving benefit*, and seldom more than one bottle is required to cure any kind of *Liver* Complaint, from the worst Jaundice or Dyspepsia to a common headache, all of which are the result of a *Diseased Liver*.

The Liver is one of the principal regulators of the human bodyforms its functions well, and when it performs its functions well the powers of the system are fully developed. The *stomach* is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the *Liver*—having ceased to do its duty. For the diseases of that organ, one of the proprietors have made it his study, for more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with Liver Complaint in any of its forms, has but to try a bottle, and conviction is certain.

A compound has been formed by dissolving gums and extracting that part which is soluble for the active virtues of the medicine. These gums remove all morbid or bad from the stomach, system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well purifying the blood, giving tone and health to the whole machinery, removing the cause of the disease, and effecting a radical cure without any of the disagreeable after effects felt by using Calomel or Mineral Poison, that is usually restored to.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring prevents nightmare.

Only one dose taken at night loosens the bowels gently, and cures costiveness.

One dose taken after each meal will cure Dyspepsia.

☞ One dose or two teaspoonsful will always relieve Sick-Headache.

One bottle taken for female obstruction removes the cause of disease, and makes a perfect cure.

Only one dose immediately relieves Cholic, while one dose of ten repeated is a sure cure for Cholera Morbus, and a preventive of Cholera.

One dose taken often will prevent the recurrence of bilious attacks, while it relieves all painful feelings.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for Jaundice removes a yellowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose often repeated, cures the Chronic Diarrhea in its worst forms, while summer and bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by worms, while for worms in children, there is no surer, safer or speedier remedy in the world, as it *never fails*.

There is no exaggeration in these statements, they are plain sober facts, that we can give evidence to prove, while all who use it are giving their unanimous testimony in its favor.

Among the hundreds of Liver Remedies now offered to the public, there are none we can so fully recommend as Dr. Sanford's Invigorator, so generally known now throughout the Union.—This preparation is truly a *Liver Invigorator* producing the most happy results on all those who use it. Almost innumerable certificates have been given of the great virtue of this medicine by those of the highest standing in society, and we know it to be the best preparation now before the public.—*Hudson County Democrat.*
