LIVER INVIGORATOR!

PREPARED BY DR. SANFORD, IS A GREAT scientific Medical Discovery, and is daily working cures almost to great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst jaundice or Dyspepsia to a common headache, all of which are the result of a Diseased Liver. The Liver is one of the principal regulators of the human body, and when it performs its functions well, the powers of the system are fully developed. The Stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ being deranged and ceasing to do its duty. For the diseases of this organ one of the proprietors has made it his study in a practice of more than twenty years, to find some remedy wherewith to counteract many derangements to which it is liable. To prove that this remedy is at last found any person troubled with the Liver Complaint in any of its forms, has but to try a bottle, and conviction is certain. A compound has been... Among the hundreds of Liver Remedies now offered to the public, there are few we can so fully recommend as Dr. Sanford's Invigorator, so generally known throughout the Union. This preparation is truly a Liver Invigorator, producing the most happy results on all those who use it. Almost innumerable certificates have been given of the highest standing in society, and we know it to be the best preparation now before the public.—Hudson County Democrat. Price One Dollar per bottle. SANFORD & CO., proprietors, 345 Broadway, New York. Dr. GEO. H. KEYSER, 140 Wood street, wholesale and retail agent. Given by Thomas Devine, High street, Ebensburg.

MORE THAN 500,000 BOTTLES SOLD IN THE NEW ENGLAND STATES IN ONE YEAR. THE RESTORATIVE OF PROF. O. J. WOOD for restoring hair perfectly and permanently has never yet had a rival, volume after volume might be given from all parts of the world, and from the most intelligent, to prove that it is a perfect Restorative, but read the circular and you cannot doubt; read also the following: THE HAIR.—People have for centuries been afflicted with bald heads, and the only remedy heretofore known, has been those abominable wigs. By a recent discovery of Professor Wood, these articles are being fast disposed with but a great many persons still patronize them, because they have been so often imposed upon by Hair Tonic of different kinds. To all such persons, we earnestly make the request, that they will try one again, for in Wood's Restorative there is no such thing as fail. We know of a lady who was bald, who used the article a short time, and her head is now covered completely with the finest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out, which it restored to greater perfection than it ever had before. It is also without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the greatest enemy to all the ailments of the hair. It is the duty of every one to improve their personal appearance, though some may differ in regard to the ways of doing it; but every one will admit that a beautiful head of hair, either in man or woman, is an object much to be desired, and there are no means that should be left untried to obtain such a consideration.—(Woman's Advocate, Philadelphia. Cochocton, Ohio, Nov. 17, 1856. O. J. WOOD & CO.—Gents: As I have been engaged in selling your Hair Restorative the last season for one of your local agents, (R. M. Hack-nson) and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio, or some State in the West, should you wish to make such an arrangement, as I am convinced there is nothing equal to it in the United States for restoring hair, I have been engaged in the Drug business for several years, and have sold various preparations for the hair, but have found nothing that restores the secretive organs or invigorates the scalp as well as yours; being fully convinced that your Restorative is what you represent it to be, I write like to engage the sale of it, for I am satisfied it must sell. Yours, truly, S. T. STOKEMAN. Wayland, Mass., Feb. 5, 1857. PROF. O. J. WOOD & CO.—Gents: Having realized the good effects of your Hair Restorative I wish to state that, finding my hair growing thin, as well as gray, I was induced from what I read and heard, to try the article prepared by you, to promote its growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three bottles. Yours, &c., JAMES FRANCIS. O. J. WOOD & CO., Proprietors, 312 Broadway, New York, (in the great N. Y. Wire Rail- ing Establishment,) and 114 Market st., St. Louis, Mo. Sold by all good druggists. December 22, 1856. S. 1y
