

MORSE'S INDIAN ROOT PILLS.

Above we present you with a likeness of DR. MORSE—the inventor of MORSE'S INDIAN ROOT PILLS. This philanthropist has spent the greater part of his life in traveling, having visited Europe, Asia, and Africa, as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health and life depended upon this vital fluid. When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its vitality, becomes thick, corrupted, and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health is weakened, and if nature is not assisted in throwing off the stagnant humors, the blood will become thick and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's Garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectant, that opens and unblocks the passage to the lungs, and thus, in a soothing manner, performs its duty in throwing off phlegm, and other humors from the lungs by copious sputum. The third is a Diuretic, which gives double ease and strength to the kidneys; thus encouraged, they draw large amounts of impure matter from the body which is then thrown out profitably by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood, the coarse particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills do not only cure the stomach, but become united with the blood, for they flow to every part, and completely root out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear. The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passage for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing a disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, have stood ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two courses of these Pills were taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cheer and brighten your days. Sold by Thomas Devine, Ebersburg, and by Medicine Dealers generally throughout the County; B. Lake Judson, successor to A. J. White & Co., No. 60 Leonard St., N. Y., Proprietors; William Mulge & Co., (Proprietors of the "Franklin" Magazine), Earlville, Madison county, N. Y., General Agents. August 3, 1859. (Address Brooklyn P. O., Box 320.)

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it does not destroy. The scrofulous taint is variously caused by mercurial disease, long living, the use of opium, the use of foreign wine, and filthy habits, the depressing views, and above all, by the venereal infection. What ever be its origin, it is hereditary in the constitution, descending from parents to children. Most of the "cures" for this disease, recommended by the quacks of the day, are but the rod of Him who says, "I will visit the iniquities of the fathers upon their children." It effects commence by deposition from the blood of corrupt or ulcers matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This final corruption, which renders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have less power to withstand the effects of eruptions or sores.
