

Above we present you with a likeness of DR. MORSE-the inventor of MORSE'S INDIAN ROOT PILLS. This philanthropist has spent the greater part of his life in traveling, having visited Europe, Asia, and Africa, as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered, Dr. Morse was the first man to es- Cameo, Mosaic, Florentine, Painted, Lava, Gold tablish the fact that all diseases arise from IM-PURITY OF THE BLOOD-that our strength, health and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the dif-ferent functions of the body, the blood loses its Sets Cameo Goldstone, Painted Mosaic Garnet, action, becomes thick, corrupted, and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our Gold Pencils with Pens, large medium, and health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the Silver Pencils, with Gold Pens, large, medium blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's Garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant, that opens and unclogs the passage to the lungs, and thus, in a soothing manner, performs its duty in throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives double ease and strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out bountifully by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not orly enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and

Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by exper iment on many of the worst cases to be found of the following complaints : --SCROPURA AND SCROPULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AF-FECTIONS, MERCURIAL DISEASE, DROPSY, NEU-RALGIA OR TIC DOULOUREUX, DEBILITY, DYS-PEPSIA AND INDIGESTION, ERYSIPELAS, ROSS OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD. This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

The undersigned desires to call the attention

ghenies.

The undersigned begs leave to inform the citizens of Cambria and adjoining counties that he has just received a fresh stock of the finest ITALIAN and other Mar-bles, at his eitablishment on Franklin street, Johnstown. MONUMENTS, TOMBS, MANTELS, GRAVE STONES, TABLE & BUREAU TOPS, manuactured of the most heautiful and funct manfuactured of the most beautiful and finest quality of Foreign and Domestic Marble, always on hand and made to order as cheap as they can

be purchased in the city, without the addition of carriage. GRINDSTONES of various grits and sizes, suitable for Farmers and Mechanics, sold either by wholesale or retail.

The reason whypeople are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passage for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing a disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery. until life is taken from the body by disease. Dr.

Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of

raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine. Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate case and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood .--Bibles. Therefore, it will be shown, especially by those who use these Pills, that they will cleanse and purify, that disease-that deadly enemy-will take its flight, and the flush of youth and beauty Gazetteers. will again return, and the prospect of a long and happy life will cherish and brighten your days.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug ne has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloguy which rests upon it. And we think we have ground for believing it has virtues which are irresivible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle. PREPARED BY

DR. J. C. AYER & CO. LOWELL, MASS.

Ayer's Cherry Pectoral,

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant uso throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.
