Scrofula, or King's Evil, is a constitutional disease, a corruption of the blood, by which this fluid becomes impure, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, but there are some which it does not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and dirty habits, the depressing vicissitudes above all, by the venereal contagion. Whatever be its origin, it is hereditary in the constitution, descending from parents to children and from children to their posterity. It is transmitted to the root of the hair, which I will visit the iniquities of the fathers upon their children.

It effects commences by deposition from the blood of corrupt or impure matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which ganders in the blood, depresses the energies of life, so that various constitutional not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, every ailment which is superadded, which, although not scrofulous in its nature, is still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination. Scrofulous destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

Compound Extract of Sarsaparilla, the most effective remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is compounded from the most active remedies that have been discovered for the cure of scrofulous disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of Filth, scrofulous eruptions, and all the other affections which arise from it, such as ERYTHEMA, ROSA, or ERYTHRELA, PIMPLES, PUSTULES, BRUISES, BLAISES, AND BORDS, TUMORS, TETTER, AND SALT RHEUM, SCALD HEAD, SCORF, RHEUMATISM, STYLLITIC AND MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIALIZED BLOOD, and all the other ailments which are the result of this taint in the blood, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills, FOR ALL THE PURPOSES OF A FAMILY PHYSIC, are so composed that disease within the range of their action can rarely be cured without them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitality. As a consequence, the health of the invalid who is bowed down with pain or physical debility is restored, and his health of energy restored by a remedy at once so simple and invigorating.

Ayer's Cherry Pectoral, FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease. So wide is the field of its usefulness, and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly testifying to its kind and powerful benefits. It is not only a safe and agreeable remedy for the most distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted that can never forget, and produced cures too numerous and too remarkable to be forgotten.
