

Above we present you with a likeness of DR MORSE-the inventor of MORSE'S INDIAN ROOT PILLS. This philanthropist has spent the greater part of his life in traveling, having visited Europe, Asia, and Africa, as well as North America-has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered, Dr. Morse was the first man to establish the fact that all diseases arise from IM-PURITY OF THE BLOOD-that our strength. health and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the dif-ferent functions of the body, the blood loses its action, becomes thick, corrupted, and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's Garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists Nature in Pearl and Morocco Port Monies. throwing out the finer parts of the corruption | Toothpicks, Watch Keyes, Guard within. The second is a plant which is an Expectorant, that opens and unclogs the passage to the lungs, and thus, in a soothing manner, per-forms its duty in throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives double ease and strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out bountifully by the uri-nary or water passage, and which could not have erties of the Pills while engaged in purifying the blood; the coarser particles of impurity which up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfeetly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and

clear. The reason whypeople are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passage for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing a disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery. until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood .-Therefore, it will be shown, especially by those who use these Pills, that they will cleanse and purify, that disease-that deadly enemy-will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.

THE BLOOD. This compound will be found a great moter of health, when taken in the spring expel the foul humors which fester in blood at that season of the year. By the tis-ly expulsion of them many rankling disords, are nipped in the bud. Multitudes can the aid of this remedy, spare themselves in the endurance of foul eruptions and ulcen sores, through which the system will striv rid itself of corruptions, if not assisted to this through the natural channels of the by an alterative medicine. Cleanse ou vitiated blood whenever you find its imp bursting through the skin in pimples, cruy or sores; cleanse it when you find it structed and sluggish in the veins; clean whenever it is foul, and your feelings will to you when. Even where no particular disc is felt, people enjoy better health, and li longer, for cleaning the blood. Keep blood healthy, and all is well; but with pabulum of life disordered, there can be

life is disordered or overthrown. Sarsaparilla has, and deserves much, reputation, of accomplishing these ends. the world has been egregiously deceived preparations of it, partly because the calone has not all the virtue that is claim for it, but more because many preparati-pretending to be concentrated extracts of contain but little of the virtue of Sarsapar

or any thing else. During late years the public have been mi led by large bottles, pretending to give a que of Extract of Sarsaparilla for one dollar. Ma of these have been frauds upon the sick, they not only contain little, if any, Sarsapi rilla, but often no curative properties what er. Hence, bitter and painful disappoints has followed the use of the various extract Sarsaparilla which flood the market, until a name itself is justly despised, and has been synonymous with imposition and cheat. we call this compound Sarsaparilla, and intent to supply such a remedy as shall rescue the name from the load of obloquy which upon it. And we think we have ground believing it has virtues which are irresid by the ordinary run of the diseases it is interest ed to cure. In order to secure their complete eradication from the system, the remedy show be judiciously taken according to directions
