HUMPHREY'S
SPECIFIC
HOMŒOPATHIC REMEDIES,
No. 562 BROADWAY.
THE GREAT FEATURE

Of this series of Domestic Remedies is that each particular medicine is a SPECIFIC for the particular disease or class of disease whose name it bears, and may be relied upon for the cure of that particular affection. Hence, persons suffering from a chronic disease or long-standing ailment, in buying a case of HUMPHREY'S SPECIFICS obtain the particular one desired in their case, and thus themselves make a cure which otherwise would cost them many dollars, and no small amount of time and medical attendance, if, indeed, it could be obtained at all.

Thus multitudes suffer from DYSPEPSIA, BILIOUS CONDITION, COSTIVENESS, SAD TASTE, COATED TONGUE and DEBILITY, which is perfectly controlled and cured by the

DYSPEPSIA SPECIFIC.

There is scarcely a phase or form of this disease which is not promptly controlled and ultimately cured by the use of this Specific. Thousands who have suffered for years with this "Bilious Condition" having purchased a case of these Specifics, have obtained a perfect cure and immunity from their old complaint.

COUGHS, COLDS AND SORE THROATS, which so frequently lead to

BRONCHITIS AND CONSUMPTION

are all in their early stage secured by the

COUGH PILLS.

Many cases of long standing Bronchitis and irritating Coughs have been perfectly cured by this Specific. But more! many persons have a specific liability to colds and take them from the least exposure. This will be entirely relieved by the use of the COUGH PILLS, as scores can testify from experience. So

CATARRH

is one of our most common and most troublesome diseases, against which the Old School Medicines and even Homœopathic prescriptions, are of very little use. Yet hundreds of persons have been cured of not only recent and fresh, but even long standing and obstinate, cases of CATARRH by the use of this specific.

One aged lady in Syracuse was thus perfectly cured of a Catarrh, which had annoyed her all her life. And a young lady at one of our first class boarding schools, who was so afflicted with this disease as to require more than forty handkerchiefs a week, was entirely cured in a single week by this Specific.

PILES,

bleeding and blind, some of those common and obstinate forms of disease which are so difficult to cure by the ordinary methods, but which find an entire and fundamental cure in the Piles Specific. True, time is required; but the Specific is pleasant to take, requires neither diet nor restraint, and being followed up a perfect cure is the result. Hundreds of persons, in purchasing a case of Specifics, have obtained a cure for this most trying and obstinate form of disease, which has been worth to them ten times the cost of the entire set. Cases of over twenty years' standing have been cured by this simple Specific, and we believe may be cured by perseverance.

The case contains the best

FEVER AND AGUE SPECIFIC

known. A remedy without any deleterious or poisonous substance, which not only cures the ague, and old, mismanaged agues, but may be relied upon as a preventive when persons are residing in a fever and ague district. It prevents or protects upon the same principle that vaccination prevents small pox or belladonea prevents scarlet fever, by pre occupying the system with the true Specific. Hundreds have been thus protected and cured.

THE OPTHALMY SPECIFIC

has proved a most invaluable remedy for SORE EYES and EYELIDS, and for WEAK and BLURRED SIGHT. One lady in Indiana, who had been a sufferer from sore eyes for many years, and for two years was entirely blind, was cured perfectly by the Opthalmy Specific alone.

HEADACHES,

to which so many are subject, find a curative in the case. There is a specific which relieves at the time of the attack, and also one which corrects the condition of the system upon which it depends, and so destroys the predisposition to a return.

The specifics for the various forms of

FEMALE COMPLAINTS

have proved invaluable. OLD LONG STANDING LEOCORRHŒA or WHITES, attended with debility or exhaustion, and for which other forms of medicine are of little value, are fully controlled and cured by the FEMALE PILLS, while the specific for IRREGULARITIES control almost every form of SCANTY, PAINFUL OR IRREGULAR MENSTRUATION.

DIARRHŒAS AND SUMMER COMPLAINTS in adults or children are controlled like magic by the DIARRHŒA PILLS, while it may be averred without the possibility of successful contradiction that the DYSENTEY PILLS are the most perfect Specific for that disease known.

For the various forms of

FEVERS, SCARLET FEVER, MEASLES,

and other diseases of children, the FEVER PILLS may be safely and surely relied upon.

These Specifics are the prescriptions of Prof. HUMPHREYS, used for years in his extensive practice, and to the perfection of which he has devoted the resources of extensive knowledge, experience and study.

The public may rest assured that during the lifetime of Dr. H. no one has been or shall be intrusted with the preparation of his Specifics, and he offers the guaranty of his professional life and reputation that they shall be just as he represents them.

They have now been before the public for five years, and have everywhere won golden opinions from the many thousands who have used them.

Simple, free from intricacy, technicality, or danger, they have become the ready recourse and aid of the parent, traveler, nurse, or invalid, and have become the family physician and medical adviser of thousands of families. Nowhere have they been tried without having been approved, and their highest appreciation is among those who have known them longest and most intimately.

EVERY FAMILY will find these SPECIFICS all they have been recommended; PROMPT, RELIABLE, SIMPLE and EFFICACIOUS; often a FRIEND IN NEED and a FRIEND INDEED.

HOSTETTER'S
STOMACH BITTERS.

IT is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhœa, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science.

FEVER AND AGUE.—This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.
