SPECIAL NOTICE TO AGENTS.

G. G. EVANS, having purchased the stereotype plates, copyrights, etc., of the "Prince of the House of David," "Pillar of Fire," etc, would call the attention of agents to these truly valuable works.

The "Prince of the House of David," is one of the most popular and best selling books ever pub-lished. Over 180,000 copies have been sold, and it bids fair to outrival the "Pilgrim's Progress," or any other similar work.

The "Pillar of Fire," by the same author, is now meeting with a rapid sale, over 90,000 copies have been sold since its publication, and as a companion to the "Prince of the House of David" every reader of that book should purchase a copy. "The Records of the Revolutionary War," is a

book of great interest and gives a vast amount of information relative to the Soldiers of the Revo-lution, and is an invaluable book of reference for the descendants of its heroes and all who are interested in Pension Claims, Lan 1 Warrauts, etc. The most liberal inducements are offered to Agents, and upon addressing the publisher every information will be given.
