Old Abe on the Battle Field.

The following story of the first and last millitary exploit of Old Abe Lincoln is told by the Toledo *Times:*

At the time of the Black Hawk war, "Abe" enlisted. The company mustered 80 mounted men. They started off in fine spirits to engage in the deadly fray. Arriving at the point on the prairies about two hundred miles from the Indian lines, the party bivouacked for the night, picketed their horses, and slept on their arms. The method of picketing their horses was that in common use—fastening a huge rope some 80 feet in length to a stake firmly planted, and then using smaller lines of considerable length, one end attached to the animals neck, and the other to the main rope. During the night the sentinel imagined he saw the Indians, and immediately discharged his old fusee. The camp was aroused in on instant, and each sprang to his saddle. "Old Abe" shout out in the darkness on his charger like lightning, until the ropes "hove taut," when over he went, horse and himself headlong. Thinking himself caught in an Indian ambush, he gathered up, mounted, putting spurs to his horse, took the opposite shute, but soon brought up as before, horse and rider tumbling headlong. "Old Abe" got up, thinking he was surrounded, and shouted, "Gentleman Indians, I surrender without a word, but have not a sword to offer. All I want is quarter."

Extraordinary Case of Blasphemy and Death.—The Fort Madison "Plaindealer" of the 28th reports a somewhat extraordinary case of blasphemy and sudden death, which occurred near Farmington, Van Buren county, a few days previous. A farmer living there, while talking to a neighbor, about the dry weather, began an outburst of the most terrible blasphemy, using the vilest epithets toward the Almighty and Saviourr because he did not send rain. The man was going on in frightful language, when all at once his jaws became paralyzed, his tongue became powerless, his voice ceased, and he fell on the earth a corpse.

—The following appears among the "foreign intelligence" of the *Illustrated Times*, of the 2d inst. "The Baltimore Democratic Convention has nominated Mr. Bell for the Presidency. Mr. Everett has also been nominated. The Republicans of Chicago have nominated Mr. Lincoln. The Illinois Convention have nominated Mr. Hamlin and Mr. Maine as Vice Presidents.

SPECIAL NOTICES.

FOND'S EXTRACT OF HAMAMELIS, OR PAIN DESTROYER,

Is one of the few domestic remedies which have come into general use and favor, without puffing. It is the product of a simple shrub, harmless in all cases, and as a domestic remedy unequalled. For *Burns, Cuts, Bruises, Soreness, Lameness, Sprains, Rheumatism, Boils, Ulcers, Old Sores and Wounds*, it has not an equal. It is also used, with great success, for *Toothache, Headache, Neuralgia, Sore Throat, Colic, Diarrhea, Hoarseness*, and other similar troublesome and painful affections, while it promptly arrests all *Hemorrhages*. Hundreds of physicians use it daily in their practice, and give it their unqualified recommendation. Sold by our agents and dealers, and by

SOLE PROPRIETORS AND MANUFACTURERS.

☞ *Common sense* rules the mass of the people whatever the misnamed and misanthrope philosophers may say to the contrary. Show them a good thing; let its merits be clearly demonstrated, and they will not hesitate to give it their most cordial patronage. The masses have already ratified the judgment of a physician, concerning the virtues of HOSTETTER'S BITTERS as may be seen in the immense quantities of this medicine that are annually sold in every section of the land. It is now recognized as greatly superior to all other remedies yet devised for diseases of the digestive organs, such as diarrhœa, dysentery, dyspepsia, and for the various fevers that arise from derangement of those portions of the system. Hostetter's name is rapidly becoming a household word, from Maine to Texas, from the shores of the Atlantic to the Paeific. Try the article and be satisfied.

Sold by druggists and dealers generally everywhere. ☞ See advertisement in another column.

Worms.—In a quantity of corrupted matter, there is always to be found a nest of worms. They cannot, neither will they stay anywhere else. Weak stomach and bowels are subject to them, as they have not sufficient power to digest their food. Hence a large heap of matter is lodged, and worms must be the result. A few doses of these pills will disturb them in their nest and drive them out of the system. It should be remembered, that an occasional dose when in health, especially after taking cold, will prevent the disease from forming in the body.

☞ See advertisement of Dr. Morse in another column. Sold by Thomas Devine.

CATARRH! CATARRH! CATARRH! CATARRH!—*What is it? How cured?* Thousands of persons suffer all sorts of annoyance from Catarrh. Most people know what its inconvenience and results are, yet but few know how it can be cured. It is simply a chronic irritation, and often enlargement of follicles and consequent thickening of the mucous membrance, lining the nasal cavities, frontal sinuses, and sometimes extending into the throat and lungs. From this result tightness and often vertigo of the head, obstructed nose, or a profuse flow of mucus, loss of smell, nasal tone, and often impaired hearing and taste.

The old-school remedies have never been able to do any thing for it. Nasal injections and inhalations are as painful and expensive as they are generally worthless. Yet *Humphreys' Catarrh Specific*, a simple *Sugar Pill*, taken two or three times per day, promptly cures the milder cases, cures at once all colds in the head, and radically cures, by persevering use, the most obstinate cases, as is proved by the experience of hundreds. Price, with full directions, 50 cents per box.

N.B.—A full set of HUMPHREYS' HOMEOPATHIC Specifics, with Book of Directions, and twenty different Remedies, in large vials, morocco case, also, ditto, in plain case, $4; case of fifteen boxes, and Book, $2. Single boxes, 25 cts and 50 cts. These Remedies, by the single box or case, are sent by mail or express, free of charge, to any address, on receipt of the price. Address

INPECTINE,

THE PERSIAN FEVER CHARM.

For the prevention and cure of *Fever and Ague and Bilious Fevers*. This wonderful remedy was brought to the knowledge of the present proprietors by a friend who has been a great traveler in Persia and the Holy Land.

While going down the river Euphrates, he experienced a *severe* attack of Fever and Ague. On discovering his condition, one of the Boatmen took from his person an *Amulet*, saying, "*Wear this and no Fever will touch you.*" Although incredulous as to its virtues; he complied, and experienced immediate relief, and has since always found it an effectual protection from all malarious complaints.

On further investigation he found that the boatman attributed to it *miraculous* powers, and said that it could only be obtained from the Priests of the Sun. Some time afterwards, the gentleman in conversing with a Priest obtained from him the secret of its preparation, and ascertained where the medicinal herbs were found, of which it was compounded. The wonderful virtues of this article have induced a full belief in the minds of the natives in the miraculous healing powers of their Priests.

Since his return to America, it has been tried with the happiest effect by several Ladies and Gentlemen of high character, who have given it the most unqualified praise. This remedy having been a specific in Persia for hundreds of years, for the prevention and cure of Fever and Ague and Bilious Fevers—is now offered to the American people.

It will be sent by mail, prepaid, with full directions for use, on receipt of one dollar.

DR. MOTT'S CHALYBEATE RESTORATIVE PILLS OF IRON.

An aperient and stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctified by the highest Medical Authorities, both in Europe and the United States, and prescribed in their practice

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case.

Intoxicants in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:

In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhœa, Dysentery, Incipient Consumption, Scrofulous Tuberculosis, Salt Rheum, Mismenstruation, Whites, Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.

In cases of General Debility, whether the result of acute disease, or of the continued diminution of nervous and muscular energy from Chronic complaints one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from a protracted travel in a distant land. Some very signal instances of this kind are attested of female Sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic aversion to aig and exercise for which the physician has no name.

In Nervous Affections of all kinds, and for reasons familiar to Medical men, the operation of this preparation of Iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overbearing, and gently, regularly aperient, even in the most obstinate cases of costiveness without ever being a gastric purgative or inflicting a disagreeable sensation.

It is this latter property, among others which makes it so remarkably effectual and permanent a remedy for *Piles*, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In Dyspepsia innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendant *costiveness*.

In unchecked Diarrhœa, even when advanced to Dysentary, confirmed emaciating and apparently malignant, the effects have been equally decisive and astonishing.

In Scrofulous Tuberculsis, this medicated iron has had far more than the good effect of the most cautiously balanced preparations of idione, without any of their well known liabilities.

The attention of females cannot be too confidently invited to this *remedy* and *restorative*, in the cases peculiarly affecting them.

In Rheumatism, both Chronic and inflamatory—in the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In Intermittent fevers it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West will probably be one of high renown and usefulness.

No remedy has ever been discovered in the whole history of medicine, which exerts such prompt, happy and fully restorative effects. Good appetitee, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.

Put up in neat flat mettal boxes containing 50 pills, price 50 cents per box; for sale by druggists and dealers. Will be sent free to any address on receipt of the price. All letters, orders, ect., should be addressed to

The entire disease is often arrested at once, and in all cases the violence of the attack is moderated, the disease shortened, and rendered less dangerous.

Colds and Colds, which are of such frequent occurrence, and which so often by the formation of diseased tissue bronchitis and consumption, may all be at once cured by the Fever and Cough Pills.

In affections of the throat, such as Dyspepsia, Weak Stomach, Constipation, Liver Complaints, Piles, Female Debility, and Irregularities, old Head-aches, Sore or Weak Eyes, Catarrh, Salt Rheum, and many other old complaints, the Four Specifics whose proper application will afford a cure in almost every instance.
