U. M. O'Neite

A Mass Meeting of the National Democracy, was held in Carrolltown in this county on last Thursday, the 20th inst. There were we are certain, at least 700 persons in attendance. The occasion was enlivened by three excellent bands of music, and the enthusaism of the assembled Democracy was unbounded. Cheer after cheer was given for BRECKIN-RIDGE, LANE, FOSTER, M'CALLISTER AND THE COUNTY TICKET which made the welkin ring. Immediately after the arrival of the Munster and Ebensburg Delegations, a beautiful Hickory Pole was raised. From its top, floats a Banner on which is inscribed, in distinct characters, the names of BRECKINEIDE LANE & Fostan. On motion of John Bearer, Esq of Susquehanna the meeting was then organized, by appointing the following officers. President, Jacob Luther, Esq., of Car-

roll tp. Vice Presidents, Jacob Glosser, Chest, George Snyder, Carroll, Henry Bender, Carroll, Samuel Weakland, Carroll, David Powers, Susquehanna, James Burns, Carroll, Wm. Baker, Carroll, John Sanders, Munster Dominic Eager, Carroll, Francis Eberly, Munster, James Kirkpatrick, Sr. Carroll, Carroll, Joseph Kessel, Croyle, James Burk Summerhill, M. M. Adams, Washington . Secretaries, H. A. M'Mullen, Carrolltown Wm Myers, Munster, Augustin Luther, Carroll, John M'Bride, Cambria, J. Kirk-

patrick, Jr. Carroll, Michael Rutch, Carroll, Wm. Buck, Carroll, John Parish Munster. The meeting was addressed at considerable length, and in a very able manner by Col. M. D. Magehan, Gen Joseph M'Donald, Dr. R. S. Bunn, and C. D. Murray of Ebensburg James J. Kaylor of Cambria tp. M. M. Ad-

Democracy of Cambria as a candidate for

George N. Smith the Friend of Soulless Corporations.

It is a fact not as well known as it should the Legislature, voted for giving away (for the transaction did not amount to a sale) the State Canals to the Sunbury and Erie Rail Road Company, a soulless corporational . This measure was condemned by the Democracy in every section of the State at the time. It was a cunningly devised scheme to enrich a few individuals at the expense of the State. It is true the Sunbury and Erie Rail Road Company was enriched, but it was at the expense of the honest hard working yeomenry of Penosylvania, who have made it the first State n wealth and importance in the Union. We have said that the Canals were given away. The State really received nothing for them. It was nothing but a sham sale, and this Capt. Smith could not but know at the time.

Aside from this, we have every reason to presume that he is in favor of repealing the three mill tax on the tonnage of the Penasylvania Rail Road Company. A resolution instructing him in the event of his election to oppose the repeal of that tax was defeated, rejected, in the Convention which nominated him, on motion of P. S. Noon, Esq., a gentleman who is his confidential bosom friend, and is now engaged in stumping the County in his favor The presumption therefore is that he is in favr of the repeal of the Tonnage Charles Flick, Alleghany, Jacob Sharbaugh tax. Every farmer, every mechanic, every laboring man in the community is taxed for the support of the government. Why then should a soulless corporation be released from bearing its share of the burthen? People of Cambria, George N. Smith in 1858, was the pliant tool of the Sunbury and Eric Rail Road Company. Have we then not good reason to fear that if elected at the approaching election, he will be the phant tool of the Pennsylvania Rail Road Company?-His warmest supporters in this portion of the county are Stockholders of that Company .-ams of Washington and Francis Bearer of Tax payers of Cambria, has not that Company as good a right to pay taxes as you have?
