Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pim-ples, Pustules, Blotches, Bolls, Blains, and all Skin Diseases.

And all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co. Gents: I feel it my duty to anknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection. I have suffered from it in various ways for years. Sometimes it learnst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it curst me. I took it, as you advise, in small doses of a teaspoonful over a it, as you advise, in small doses of a teaspoonful ever month, and used almost three bottles. New and healthy while fell off. My skin is now clear, and I know by my feelings that the disease is gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostics of the age. and remain ever gratefully, Yours, ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erystpelas, Tetter and Salt Rheum, Scald Head, Ring-worm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salera, N. Y., 12th Sept., 1859, that he has carred an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsanarilla, and also a danger our attack of Malignant Ergssyclas by large doses of the same; says he cures the common Eruptions by it constantly.

Bronchocele, Goltre, or Swelled Neck. Zebulon Sloan of, Prospect, Texas, writes: "Three pottles of your Sarsaparilla enreil me from a Goilge - a hideous swelling on the neck, which I had suffered from over two years." Leucorrhea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsmanilla a most excellent alterative in the numerous complaints for which we comploy such a remedy, but especially in Female Discovers of the Scroinlous diathesis. I have cured many inveterate cases of Leucorrham by it, and some where the complaint was caused by ulceration of the ulcera. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Behard S. Marrow, of Newbury, Ala., writes: "A dangerous overfant tunner on one of the females in my female." gerous overian tunner on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your extract of Sar saparilla. Our physician thought nothing but extraction could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no asymptom of the disease remains." no symptom of the disease remains

Syphilis and Mercurial Disease.

NEW OBLEANS, 28th August, 1859.

DR. J. C. AYER. Sir: I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilia.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Fenered and Mercuried Disease. One of my patients had Syphilitic alcers in his throat, which were consuming his palate and the top of his mouth. Your Sarasparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the alceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarasparilla; the alcers healed, and he is well again, not of course without some disfiguration of the face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensicurial Disease. One of my patients had Syphilitic alcers treated for the same disorder by mercury was suffering from this poison in her lones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a greet remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1868. Dr. J. C. Aven. Sir: I have been afflicted with a pair ful chronic Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One

remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREA M. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing falled to relieve me; and I have been a broken down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough." Schirrus, Cancer Tumors, Enlargement, Ulceration, Carles, and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not ad-mit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them. Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia. Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimu-lates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the

necessities of the people, and we are confident that this will do for them all that medicine can do. Ayer's Cherry Pectoral,

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consump-tion, and for the Relief of Consumptive Patients, in advanced stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its traily wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the cardibles are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

HOSTETTER'S STOMACH BITTERS:

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect cor fidence to physicians and citizens generally of the United States because the article has attained a regulation heretafore unknown, A few tacts upon this point will speak more powerfully then volumes of bare assertions or blazening puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half million botthes ... and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bettles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the satation, of the most prominent physicians in these sections of the country where the article is best known. who not only recommended the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stemechic derangements and the diseases resulting therefrom

This is not a temporary popularity, obtained by extraordinary efforts in the way of true pering the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itse f.

Hostetter's Stomach Batters have proved a Godsend to regions where fever and ague and various other tillious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It renoves all morbid matter in m the stomach, puifies the blood, and imparts renewed vitality o the nervous system, giving it that tone and energy indispensable for the restoration of nealth. It operates upon the stomach, liver, and other ligestive organs, mildly but powerfully, and soon restores them to a condition essential to the icalthy discharge of the functions of nature.

Elderly persons may use the Bitters dai'y as per directions on the bottle, and they will find n it a stimulant peculibrly adapted to confort declining years, as it is pleasant to the palate, evigorating to the bowels, excellent as a topic, and rejuverating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stemach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A lew words to the gentler sex. There are certain periods when their cares are so harrassing that many of them sink under the trial. The relation of mother and child is so absorbing ly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer sesson, the wear of body and mind is gegerally aggravated. Here then, is a necessity for a stimulent to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodyily

strength. All those persons, to whom we have particularly referred above, to wit; sufferers from fever and ague, caused by malaria, diarricea, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superanuated invalids, persons of sedentary accupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated

Stomach Bitters a trial. CAUTION .- We caution the public against using any of the many imitations of counterfeits, out ask for Hostetten's CELEBRATED STOMACH BITTERS, and see that each bottle has the words 'Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallie cap covering the cork, and observe that our

autograph signature is on the label. 63- Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany. AGENTS .- Davis & Jones, Ebensburg; J. A. Parrish, Summitville; Wm. Litzinger, Loretto; Peter Kinney, Munster. Sept. 5, 1860.-ly.
