Your "Impetigo" or "Persian Fever Charm,"
has done wonders. I was wholly despondent
and wretched when I applied it, and in five hours
the chills were removed and no fever has ensued
It is the simplest cure imaginable, and a wonder
of nature or art. I would not be without this
"Impetigo" a single hour. By constantly wear-
ing it I seem to be in "good luck."
Yours Very Truly,
E. M. STOUT.
Mobile, Alabama, July 28d, 1860.
Gentlemen:
I have been snatched from the grave by
the application of your wonderful "Impetigo,"
or "Persian Fever Charm." For several years
I have suffered every season from fever and ague.
Last Spring my life was threatened, but your
remedy has destroyed the disease, and I am rap-
idly gaining an appetite and strength.
Respectfully Yours,
D. N. BARROW.

Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD,
And for the speedy cure of the most stubborn varieties of
Scrofula and Scrophulous Affections, such as
"Tetter," "Itch," "Scurvy," "Rheumatism," "Pain
in the Back," "Cancer," "Blindness," "Deafness,"
and all Skin Diseases.
Gentlemen: I do not desire to say
more than I have said before, but I have
found that your Sarsaparilla is the best
I ever used in any form, and it is the only
one that has cured me of the most stubborn
cases of "Scrophulous Affections." I have
used it for several years, and it has
done wonders for me. I was wholly
despondent and wretched when I applied
it, and in five hours the chills were re-
moved and no fever has ensued. It is
the simplest cure imaginable, and a wonder
of nature or art. I would not be without
this "Impetigo" a single hour. By const-
antly wearing it I seem to be in "good

HOSTETTER'S
STOMACH BITTERS.
The proprietors and manufacturers of
HOSTETTER'S CELEBRATED STOMACH BIT-
TERS can speak with perfect confidence to phy-
sicians and citizens generally of the United States
because the article has obtained a reputation
herebefore unknown, a few facts upon this point
will speak more powerfully than volumes of
bare assertions or blustering puffery. The com-
pensation of Hostetter's Stomach Bitters for the
last year amounted to over a half million bottles,
and from its manifold virtues, increase in sales
past it is evident that during the coming year
the consumption will reach near one million bot-
tles. This immense amount could never have
been sold but for the rare medicinal properties
contained in the preparation, and the reputation
of the most prominent Physicians in these sections
of the country where the article is best known.
Who not only recommend the Bitters to their
patients, but are ready at all times to give reason-
able testimonials to its efficacy in all cases of stom-
ach derangements and diseases resulting therefrom.
This is not a temporary popularity, obtained
by extraordinary efforts in the way of transpore-
ing the qualities of the Bitters, but a solid esta-
blishment of its value as a medicine, which is des-
tined to be as enduring as time itself.
Hostetter's Stomach Bitters have proved a
Godsend to regions where fever and ague and
various other bilious complaints have counted
their victims by hundreds. To be able to state
confidently that "Bitters" are a certain cure
for the Dyspeptic and bilious diseases, is the pri-
ority a source of unalloyed pleasure. It re-
quires all medical matter from the stomach, it re-
freshes the blood, and imparts renewed vitality
to the nervous system, giving it that tone and
energy indispensable for the restoration of health.
It operates upon the stomach, liver, and other
digestive organs, mildly but powerfully, a dis-
eased system restores them to a condition essential to a
healthy discharge of the functions of nature.
Eminent persons who use the Bitters daily or
per direction of their physicians, find it the
most salutary and generally adapted to comfort
declining years, as it is pleasant to the palate,
invigorating to the bowels, excellent as a tonic,
and rejuvenating generally. We have the evi-
dence of thousands of aged men and women who
have experienced the benefit of using this prepa-
ration while suffering from stomachic derange-
ments and general debility, acting under the
guidance of physicians, they have abandoned all
other remedies and fairly tested the merits of
this article. A few words to the general eye. These
are certain periods when their cases are refer-
ring that many of them seek under the traf-
fic of the matter and child is an absorbing
toy, their mother, especially if the be-
youth, is an apt to forget her own health in her
tenderness for her infant. Should the period
of maternity arrive during the summer season,
the wear of body and mind is peculiarly aggravated.
Here then, is a necessity for a stimulant to
rejuvenate the energies of the system, and enable
the mother to bear up under her exhausting
trials and responsibilities. Nursing mothers gen-
erally prefer the Bitters all other remedies,
because it gives the most satisfaction to the phys-
icians, because it is agreeable to the taste as well as cer-
tain to give a permanent increase of bodily
strength.
All those persons to whom we have particu-
larly referred above, to wit, sufferers from fever
and ague, caused by malarial, miasmatic, dysen-
tery, indigestion, loss of appetite, and all disor-
ders or derangements of the stomach, liver, and
other organs, persons of debilitated constitution,
and nursing mothers, will compel their own phys-
ical welfare by giving to Hostetter's Celebrated
Stomach Bitters a trial.
CAUTION.—We caution the public against
using any of the many imitations of counterfeits,
but for Hostetter's CELEBRATED STOMACH BIT-
TERS, and see that each bottle has the name
"Dr. J. C. Hostetter's Stomach Bitters" blown in
the side of the bottle, and stamped on the metal-
lic cap covering the cork, and observe that our
autograph signature is on the label.
Prepared and sold by HOSTETTER &
SMITH, Pittsburg, Pa., and sole by all druggists,
grocers, and others generally throughout
the United States, South America, and Germany.
AGENTS.—David & John, Ebersburg; J. A.
Parris, Summitville; Wm. Litzinger, Loretto;
