Sometimes it burst out in there on my hands and array, sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and vocard buy calp and ears with one sore, which was painful and heath-one beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was repliced to read in the Gospel Messenger that you had prepared an alterative (Sursaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it erred me. I took it, as you advise, in small dones of a temporofit over a Circinnati and get it, and used it till it excel me. I took it, as you advise, in small downs of a terspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease is gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. Yours,

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wenderful in the cure of Tenereal and Mercurial Disease. One of my patients had Syphilitic ulvers in his threat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by see ondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration of the face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sentitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cared entirely by your Sarsaparilla in a few weeks. Fraternally yours, G. V. LARIMER, M. D. Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859.
Dn. J. C. AYER. Sir: I have been afflicted with a painful chronic Rheumatism for a long time, which haffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. On remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. Julea Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an offection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Ligny, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The

as to make a new man of me. I feel young again. The best that can be said of you is not half good enough." Schirrus, Cancer Tumors, Enlargement, Ul-

ceration, Carles, and Exfoliation of the A great variety of cases have been reported to us where cares of these formidable complaints have resulted from the use of this remedy, but our space here will not ad-mit them. Some of them may be found in our American Almanac, which the agents below named are picased to furnish gratis to all who call for them.

Dyspepsin, Heart Disease, Fits, Eyllepsy, Melanchely, Neuralgia. Many remarkable cures of these affections have been made by the alterative power of this medicale. It stimu lates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyone its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this

will do for them all that medicine can do. Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consump-tion, and for the Relief of Consump-tive Patients, in advanced stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its narivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, smong them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virdo more than to assure them that it has now all the vir-tues that it did have when making the cures which have won so strongly upon the confidence of mankind.

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to physicians and citizens generally of the United States because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertions or biazoning puffery. The con-sumption of Hostetter's Stomach Bitters for the last year amounted to over a half million bottles and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million but-

tles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction, of the most programmat physicians in those sections of the country where the article is best known, who not only recommended the Bitters to their patients, but are ready at all times to give festimonials to its efficacy in all cases of stemachic derangements and the diseases resulting therein in This is not a temporary popularity, obtained

by extraordinary efforts in the way of trutopeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is tiestined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bibous complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsic and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the pervous system, giving it that tone and energy indispensable for the restoration of malth. It operates upon the atchusch, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the ealthy discharge of the functions of cature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in flastimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, in vigorating to the bowels, excellent as a tonic, and rejuverating generally. We have the evidence of theusands of aged men and webich who have experienced the benefit of using this preparation while suffering from stemach derangements and general delidity; acting under the advice of physicians, they have abandened all thely eterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are vo barrassing that many of them sink under the trial. The relation of mother and child is so absorbing ly tender, that the mother, especially if she be omig, is apt to forget her own health in her extreme auxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is gegerally aggravated. Here then, is a necessity for a stimulent to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent mercase of bedyily

strength. All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarricea, dysentery, indigestion, loss of appente, and all diseases or derangements of the stomach, supersnuated invalids, persons of sedentary accupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION .- We caution the public against using any of the many imitations of counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stemach Editers" blown on the side of the bottle, and stamped on the metallie cap covering the cork, and observe that our utograph signature is on the label.
