Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

J. C. AYER & Co. Gents: I feel it my duty to ne knowledge what your Sursaparilla has done for me, Having inherited a Scrofnleus infection. I have suffered from it in various ways for years. Sometimes it barst out in Ulcers on my hands and arias; sometimes it turned inward and distressed me at the storage. Two years ago it broke out on my head and covered my scalp and cars with one sore, which was painful and leafinsome beyond description. I tried many mosticines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was reloted physicines, but without much relief from any lining. In fact, the disorder grew worse. At length I was rejoleed to read in the Gospal Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your repu-tation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a tenspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the seab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease is gone from my system. You can well believe that I teel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours, ALFRED B. TALLEY.

I have cured many inveterate cases of Leucorrheza by it, and some where the complaint was caused by ulceration of the uterax. The ulceration itself was soon cured Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes: "A dangerous ocarian tumor on one of the familes in my family, which had defied all the remedies we could employ, has at length been completely cured by your extract of Sarsaparilla. Sir: I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla. have cured with it, in my practice, most of the com I have cured with it, in my practice, most of the com-plaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mer-curial Disease. One of my patients had Syphilitic bleers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by see-ondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration of the face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensi-tive to the weather that on a damp day she suffered ex-cruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859.
Dr. J. C. AYER. Sir: I have been afflicted with a painful chronic *Bheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing falled to relieve me , and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the bless-ing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ul-A great variety of cases have been reported to us where

cures of these formidable complaints have resulted from the use of this remedy, but our space here will not ad-mit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them. Dyspepsia. Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia. Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral, FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consump-tion, and for the Relief of Consump-tive Patients, in advanced stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the carith. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the solute and dangerous disorders of the throat and lunes. subtle and dangerous disorders of the throat and lungs As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the vir-tues that it did have when making the cures which have won so strongly upon the confidence of mankind.

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to 1 Lysicians and citizens generally of the United States because the article has attained a reputation heretofore unknown, A few facts upon this point will speak more powerfully than volumes of bare assertions or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half mullion bottles and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never bave been sold but for the rare medicinal properties contained in the preparation, and the sauction, of the most prominent physicians in these sections of the country where the article is best known,

patients, but are ready at all times to give testimonials to its efficacy in all cases of stemachio derangements and the discases resulting therein in This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is des-

tined to be as enduring as time itself. Hostetter's Stomach Bitters have preven a Godsend to regions where fever and ague and various other bahous complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsic and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, puifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the

healthy discharge of the functions of nature. Elderly persons may use the Bitters daily as per directions on the bottle, and they will find n it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuverating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stemach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so barrassing that many of them sink under the trial. The relation of mother and child is so absorbing ly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the teriod of maternity arrive during the summer season, the wear of body and mind is gegerally aggravated. Here then, is a necessity for a stimulent to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodyily

strength. All those persons, to whom we have particularly referred above, to wit; sufferers from fever and ague, caused by malaria, diarrhea, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superanuated invalids, persons of sedentary accupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated

Stomach Bitters a trial. CAUTION .- We caution the public against using any of the many imitations of counterfeits, but ask for HOSTETTER'S CELEBRATED STORACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our
