How it is Done.—All who have travelled at night in the cars of the Pa., R. R., and most of our citizens, know that they are lighted with gas, but few are familiar with the manner of its introduction into the different cars on the trains. With a view to enlighten them on this subject we may state that the Company have a building adjoining their shops in this place, and convenient to the depot, in which are twenty receivers, each ten feet long which will sustain a pressure 900 pounds to the square inch By the aid of a gas pump, the gas received from the gas-works in this place, is forced into the receivers to a pressure of 600 pounds. By means of pipes it is conducted from these reservoirs to the receiver on each car, which is seven feet six inches high, fourteen inches in diameter, and which, with a pressure of from 500 to 600 pounds, contains sufficient to supply two six foot burners, and one three foot burner from sixteen to eighteen hours, or one round trip' —*Altoona Tribune.*

Reverance for the Old Flag.—There was an affecting scene at San Antonia, Texas, as the United States troops marched out of the city, which is thus described by the *Alamo Express:* 'A large concourse of citizens had collected to bid the troops of war good-bye, and when the two companies, under the command of Major Smith and Captain King, marched out with colors flying and band playing the national airs, and the old bullet-riddled and war-stained banner of the 8th Regiment floating in the breeze, there was a most profound sensation among the people; strong men wept. We have never seen so much feeling evinced on any occasion. The people cheered the troops all along the streets, and many followed them to the head of the San Pedro, where they encamped.'

Honor to Crittenden.—The Kentucky Legislature requested Senator Crittenden to remain in Washington after the expiration of his wise, elevating and patriotic counsel, to those who desire the reconsolidation of the country, or to visit such States as might need or be benefited by his earnest appeals in behalf of the Union. This mark of confidence and trust in high honor, and meets the approval of all true citizens, and is grateful to every impartial and upright man in the country. Few men have ever been entrusted with a higher or more noble general commission of peace. We think, perhaps, Alleghany County might be benefitted by a visit and a speech from the distinguished Kentuckian. *Pittsburgh Post.*

Washington.—The Troy *Budget* of March 14th states authoritively that the dispatch from Washington in the New York *Herald* stating that General Wool had advised the surrender of Fort Sumpter, is without foundation.

The Charleston *Courier* of yesterday, states that the batteries bearing on the ship channel are of the heaviest kind, and that they are now in a high state of preparation and ready for any force that may be sent against them. It believes the reinforcement of Fort Sumpter an impossibility. It estimates that there are three thousand highly disiplined troops in the various fortifications.

Rheumatism! Rheumatism!! Rheumatism!!!

It is well known that bathings, ointments, and external applications, only drive rheumatism from one part of the system to another. Sometimes with fatal results. HUMPHREY'S SPECIFIC HOMEOPATHIC RHEUMATIC PILLS often cure the worst and most protracted cases. This simple medicated SUGAR PILL will do more to eradicate the disease, than quantities of crude medicines, and has cured when all other means have failed. Price, 25 cents per box. Six boxes for $1.

N. B.—A full set of HUMPHREYS' HOMEOPATHIC SPECIFICS, with Book of Directions, and twenty different Remedies, in large vials, morocco case, $5; ditto, in plain case, $4; case of fifteen boxes, and Book, $2. Single boxes, 25 cts and 50 cts. These Remedies, by the single box or case, are sent by mail or express, free of charge, to any address, on receipt of the price. Address

Worms.—In a quantity of corrupted matter, there is always to be found a nest of worms. They cannot, neither will they stay anywhere else. Weak stomach and bowels are subject to them, as they have not sufficient power to digest their food. Hence a large heap of matter is lodged, and worms must be the result. A few doses of these pills will disturb them in their nest and drive them out of the system. It should be remembered, that an occasional dose when in health, especially after taking cold, will prevent the disease from forming in the body.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD,

And for the speedy cure of the subjoined varieties of Diseases:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Goitres, Blotches, Eruptions, Pimples, Pustules, Blain, Boils, Carbuncles and all Skin Diseases.

OAKLAND, Ind., 6th June, 1855.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous humor, I was afflicted from it in various ways for years. Sometimes it broke out in Ulcers on my hands and arms; at times it turned inward and tormented me at the stomach. Two years ago it took a turn on my head and caused running sores and ears with one sore, which was painful and humiliating beyond description. I tried many medicines and several physicians, but without much relief from any thing. By last fall, I was in a bad way. At that time I was induced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew your pills were the best that ever I put into me to operate. I got some Cincinnati and got it, and used it till it cured me. I took it, as per advice, in small doses of a teaspoonful after a meal, and used about three bottles. Now not the least skin blem ish can be found on my body, which since it white fell off. My health is now clear, and I assure her my feelings that the disease is gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours,

ALFRED P. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworms, Sore Eyes, Dropsy.

Dr. Robert M. Priddy writes from Salem, N. Y., 16th Sept., 1858, that he has cured an inveterate case of *Dropsy,* which threatened an immediate result, by the persevering use of our Sarsaparilla, and also a severe case of *Malignant Erysipelas* by large doses of the same. Hops he cures the common *Erysipelas* by it constantly.

Bronchocele, Goitre, or Swelled Neck.

Zebulon Sloan of, Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goitre—a bilious swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent, and respond to your favors of the 6th inst. I have found your Sarsaparilla a most excellent alterative in the worst cases complained for which we employ such a remedy. Had we only in Cancer of the Womb, it would be worth its weight in gold. For the class of the Scrofulous diathesis, I have for it many more than ordinary confidence. I have for it many more than ordinary confidence. I have for it many more than ordinary confidence.
