An aperient and stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctified by the highest Medical Authorities, both in Europe and the

United States, and prescribed in their practice. The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital en-ergy, pale and otherwise sickly complexions in-dicate its necessity in almost every conceivable

PILLS of IRON.

Innoxious in all malladies in which it has been tried, it has proved absolutely curative in

each of the following complaints, viz: In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhaa, Dysentery, Incipient Consumption, Scrofulous Tuberculosis, Salt Rheum, Mismenstruction, Whites, Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Pimples ou the Face.

10,371 Sc. In cases of General Debility, whether the re-10,00 sult of acute disease, or of the continued diminution of nervous and muscular energy from Chronic complaints one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have Jappand Ware, Brittannia Ware, Hoop Iron, Nails, Window Glass, &c., &c., all of become forgotton in their own neighborhoods, have suddenly re-appeared in the busy world as 10,00 if just returned from a protracted travel in a distant land. Some very signal instances of this 10,00 kind are attested of female Sufferers, emaciated victims of apparent marasmus, sanguineous exbaustion, critical changes, and that complication 10,00 of nervous and dyspeptic aversion to air and 10,00 exercise for which the physician has no name.

In Nervous Affections of all kinds, and for reasons familiar to Medical men, the operation 10.00 of this preparation of Iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overheating, and gently, regularly aperient, even in the most obstinate cases of costiveness without ever being a gastric purgative or inflicting a dis-

agreeable sensation. It is this latter property, among others which 10,00 makes it so remarkably effectual and permanent a remedy for Piles, upon which it also appears to exert a distinct and specific action, by dis-10,00 persing the local tendency which forms them.

In Dyspepsia innumerable as are its causes,
a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendant costiceness.

In unchecked Diarrhea, even when advanced to Dysentary, confirmed emaciating and apparently malignent, the effects have been equally 10,00 decisive and astonishing. 10,00 In the local pains, loss of flesh

debiliating cough, and remittent hectic, which generally indicates Incipient Consumption, this remedy has allayed the alarm of friends and 10.00 physicians, in several very gratifying and in-10,00 | teresting instances.

In Scrofulous Tuberculsis, this medicated iron 10.00 has had far more than the good effect of the 10,00 10,00 most cautiously balanced preparations of idione. without any of their well known liabillities. The attention of females cannot be too confidently invited to this remedy and restorative, in 10,00 the caces peculiarly affecting them.

10.00 In Rheumatism, both Chronic and inflamatory 10.00 -in the latter, however, more decidedly-it has been invariably well reported, both as alleviating 10,00 pain and reducing the swellings and stifness of the joints and muscles.

In Intermittent fevers it must necessarily be William S. Campbell, Washing'n Tp. 20,371 a great remedy and energetic restorative, and its 30,00 | progress in the new settlements of the West 10.60 | will probably be one of high renown and use-30,374 | ulness.

LUMBER.

PINE POPLAR CHERRY AND ASH LUMber bought and sold by

E. HUGHES.

Above we present you with a likeness of DI MORSE-the inventor of MORSE'S INDIAN ROOT PILLS. This philanthropist has spent the greater part of his life in traveling, having visited Europe, Asia, and Africa, as well as North America—has spent three years among the Indians of our Western country-it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to es. tablish the fact that all diseases arise from IM-PURITY OF THE BLOOD—that our strength, health and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the dif-ferent functions of the body, the blood loses its action, becomes thick, corrupted, and diseased thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's Garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists Nature in throwing out the finer parts of the correction within. The second is a plant which is an Expectorant, that opens and unclogs the passage to the lungs, and thus, in a soothing manner, performs its duty in throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives double case and strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood which is then thrown out bountifully by the ur. nary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach. but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes per feetly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and

The reason whypeople are so sick, and why so many die, is because they do just received-all of the latest styles and most | not get a medicine which will pass to the affile every taste as to style as well as all pockets large quantity of food and other matter is lodged, and the stomach and intestives are literally overflowing with the corrupted mass; thus undergoing a disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. warranted to stand the test of wear. Breast Pins, Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness.
