Returned Volunteers.

All the volunteers from this place, who were members of the companies, mustered into the service, for three months, recently discharged, have returned home, and of course received a hearty welcome from their friends. Although a little tanned by the sun, they look well, and we are pleased to learn that their officers bear testimony to their having been brave, attentive and well trained soldiers. Among the number we notice the general and familiar faces of, Capt. Wm. Linton, W. W. Brown, John C. Murray, Robert Harlett, Joseph Wherry and Saml. Goodrich. All honor to them, for the promptness with which they rushed to arms, in the hour of their country's utmost need. We understand that they all intend returning with the new regiment now being formed in the County. Billy for them.

Our friend James C. Noon, Esq., is home from the wars. He arrived in this place last Friday evening. He was second lieutenant of the Johnston "Citizen Guards," and Adjutant of the 3rd regiment of the Pennsylvania Volunteers. We are gratified, although surprised, to learn that while in the service, he won for himself the reputation of being a brave and efficient officer, and was universally esteemed by those under his command. He has been confined to his room by a slight indisposition, but will be all right again in a few days.

We are sorry to learn that Major Richard White, of the 11th Reg't of Pennsylvania Volunteers, has been seriously ill since his return home. As a man and soldier, he has few superiors. We hope Richard will be himself again, and receive the greetings of his numerous friends. We know that he is not one of those who desire puffing through the columns of newspapers, but we say, that we have heard several of his officers speak of his conduct, while in the service, in the highest terms. Long may he live.

Mr. George M. Riddle, formerly of Middletown, now a resident of Philadelphia, attended the numerous friends, in this place, in the light of his countenance, on last night. He is emphatically a gentleman, and his whole soul fellow, and we hope his companions say he may live a thousand years. He is doing business for Riddle, Gill, Mack, wholesale dealers in dry goods in Philadelphia, a firm our merchants all do well to patronize.

THE DEATH OF HEALTH - The busy nature of Americans have 12,000,000 working whose services may be estimated at \$100,000,000 a day, and their annual loss by sickness the average of ten days each in the year - averages a total loss of \$240,000,000, a three times as large as the whole cost of the Federal Government, including the Army and Post Offices, Legislators, Foreign Missions and all. The amount weighs over six hundred tons in pure gold.

A large portion of this costly suffering may be prevented by attention to diet, dress, and above all, by the proper use of the right remedy in season. When a fit of illness which it would take several weeks to recover from, or a dollar bottle of Ayer's Sarsaparilla, will expel a lurking disorder, would bring the sufferer to his bed for weeks or months, does it take any figures to show the good economy of the investment? Fever and Ague is racking in your side and shaking your life out of you, is it worth the dollar it costs for this Ayer's Cure to drive the villainous disorder expelled, which does surely and quickly? When you have taken a cold it is prudent to wait until settled on the lungs, when days or weeks or months must be spent in trying to cure it, even if it can be cured at all, or is it wiser to take Ayer's Cherry Pectoral, costing a few shillings, and remove the trouble before it is serious? It takes no wisdom to see.

Almost every body has heard of "Wood's Great Restorative." In this case, however, we have the testimony of individuals whose elevated position in the community as well as their acknowledged and honorable character as gentlemen, render what they publicly assert in the first degree reliable. Several of these have "tested," personally, the hair preparation we are now making, and certify to its amazing efficiency in the most public manner possible. Their statements can be seen at the proprietor's depository, 312 Broadway, New York, and once properly appreciated, we have no hesitation in saying they will impress conviction on the most skeptical mind. Wood's Restorative is, doubtless, the best article of its kind ever yet produced. It does not dye, but gives life, health and vigor to the decaying, falling and dead, regrowing, as if by magic, that which was nearly and irretrievably lost. Heads newly changed to their pristine beauty, and faded with pimples are rendered as soft as an infant's, and as blushing as a girl, all by the use of Prof. Wood's Hair Restorative. New Advertisements. PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR.

It is precisely what its name indicates, for while pleasant to the taste, it is revivifying, exhilarating, and strengthening to the vital powers. It also revivifies, reinvigorates, and renews the blood in all its original purity, and thus restores and renders the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of all. So chemically and skillfully combined as to be the most powerful tonic, and yet so perfectly adapted to us as to act in perfect accordance with the laws of nature, and hence soothe the weakest stomach, and tone up the digestive organs, and allay all nervous and other irritation. It is also perfectly exhilarating in its effects, and yet it is never followed by lassitude or depression of spirits. It is composed entirely of vegetable and those thoroughly combining powerful tonic and soothing properties, and consequently can never injure. Such a remedy has long been felt to be a desideratum in the medical world, both by the thoroughly skilled and unskilled, and so, in all cases, it is a most valuable and necessary remedy for it needs no medical skill or knowledge even to see that debility follows all attacks of disease, and lays the unguarded system open to the attacks of many of the most dangerous to which poor humanity is constantly liable. Such, for example, as the following: Dyspepsia, Loss of Appetite, Faintness, Nervous Irritability, Neuralgia, Palpitation of the Heart, Melancholy, Hypochondria cases, so fearfully fatal if unattended to in time, called Female Weakness and Irregularities. Also Liver Derangements or Torpidity, Dropsy, Scalding or Incontinence of the Urine, or any general derangement of the Urinary Organs, Pain in the Back, Side, and between the shoulders, predisposition to Slight Colds, Hacking and Continued Cough, Emaciation, Difficulty of Breathing, and indeed we might enumerate many more, but we have space only to say that it will not only cure the debility following Chills and Fever, but prevent all attacks arising from Miasmatic Influences, and cure the diseases at once, if already attacked. And as it acts directly and persistently upon the biliary system, arousing the Liver to action, promoting in fact, all the natural functions of the system, the consequences following upon change of climate and water; hence all travelers should have a bottle with them, and all should take a table spoonful at least before eating. As it prevents costiveness, strengthens the digestive organs, it should be in the hands of all persons of sedentary habits, students, ministers, literary men, and all bodies not accustomed to much outdoor exercise should always use it. If they will they will find it agreeable, pleasant, and efficient remedy against those ills which rob them of their beauty; for beauty cannot exist without health, and health cannot exist while the above irregularities continue. They agents of the Cordial is a perfect Mother's Relief. Taken a month or two before the final trial she will pass the dreadful period with perfect safety. There is no mistake about it, this Cordial is all we claim for it. Mothers, try it!

And to you we appeal to detect the illness or decline of any of your children, or to detect the illness of your own husband, for while the former, from false diffidence, often goes down to premature grave rather than let their condition be known in time, the latter are often so mixed up with the excitement of business that if it were not for you they too would travel in the same downward path, until the mother is always vigilant, and to you we confidently appeal; for we are sure your never failing affection will unerringly point you to Prof. Wood's Restorative Cordial and Blood Renovator as the remedy which should be always on hand in time of need. O. J. WOOD, Proprietor, 444 Broadway, New York, and 114 Market Street, St. Louis, Mo., and sold by all good Druggists. Price One Dollar per Bottle. FOR SALE BY H. C. DEVINE, EBENBURG.

BERHAVE'S HOLLAND BITTERS FOR DYSPEPSIA. Liver Complaint, Fever and Ague, &c. The successful introduction and use of this celebrated Remedy has been the signal for a universal course of compounds called "Bitters," offered in various forms, and under many different names, but all of them are but another name for "grog," or some villainous whiskey mixture. But the really great relief derived from the minute dose one teaspoonful, of our medicine, BERHAVE'S HOLLAND BITTERS, and the entire absence of after pain, has established the reputation of this medicine, and has caused our torments to be undervalued. It is a medicine of long tried efficacy for Purifying the Blood, so essential for the foundation of good health and for correcting disorders of the stomach and bowels. Two or three doses will convince the afflicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result.

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than voluminous bare assertions or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half million bottles and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom. This is not a temporary popularity, obtained by a mere display of the Bitters, but of the qualities of the Bitters, which is a confirmation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state that an excellent remedy for derangements of the Dypsic and allied diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system giving it that tone and energy indispensable to the restoration of health. It is equally efficacious in the treatment of all other digestive organs, mildly but powerfully, and soon restores them to condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, and a tonic and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all delicate diets and fasts, and tested the merits of this article. A few words to the gender sex, there are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive any commendation from physicians, and it is agreeable to the taste, as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhoea, dysentery, indigestion, loss of appetite, and all diseases of derangement of the stomach, superinduced in invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial. CAUTION - We caution the public against using any of the many imitations of counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. C. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label. Prepared and sold by HOSTETTER & SMITH, Pittsburg, Pa., and by all Druggists, Grocers, and Dealers generally throughout the United States, South America, and Germany. AGENTS - Davis & Jones, Ebenburg; J. A. Parish, Summitville; Wm. Litzinger, Loretto; Peter Kinney, Munster. Sept. 5, 1890-ly.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order with your system deranged, and your health unimpaired? These symptoms are often the prelude to serious illness. Do not neglect your health, and let the disease move on unobstructed in your system. They stimulate the functions of the system, and give it vigor and energy. A cold settles somewhere in the body, and contracts its natural functions. Those, if not relieved, react upon themselves and the surrounding organs, producing general prostration, suffering, and disease. While in this condition, the system is depressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the natural feeling of health again. What is true and so apparent in this trial effect, is common complaint, is also true in many of the most rapid and many of them severely, cured by the same means. Some who know the value of the pills, are inclined to employ them when suffering from the disorder they cure.

Statement from leading physicians in some of the principal cities, and from other well known public persons. From a Forwarding Merchant of St. Louis, Feb. 4, 1856. DR. AYER'S PILLS are the paragon of all that I know of in medicine. They have cured my little daughter of almost every ailment that she has been afflicted with for several years. Her mother has been long and severely afflicted with blotches and pimples on her skin and thinning hair. After our child was cured, she took your Pills, and they have cured her.

As a Family Physic. From Dr. E. W. Cartwright, New Orleans. Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are perfectly safe, and do not produce any of the disorders of the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach. From Dr. Thomas Bell, Baltimore. DEAR BRO. AYER - I cannot answer you what complaints I have cured with your Pills better than to say that we ever found a more reliable medicine. I have had great dependence on an efficient cathartic in my daily combat with disease, and believing as I do that your Pills afford the best we have, I will continue to use them.

DEPARTMENT OF THE INTERIOR, GEOLOGICAL SURVEY, Washington, D. C. Feb. 25, 1882. SIR: I have used your Pills in my general and hospital practice ever since your Pills were first introduced. I say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, commencing an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious dyspepsia or indigestion that it did not relieve. Very truly yours, W. H. HALL, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhoea, Relax, Worms. From Dr. J. G. Brown, Chicago. Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best agents I have ever found. Their alternative effect upon the bowels makes them an excellent remedy, when given in small doses for bilious dyspepsia and diarrhoea. Their sugar coating renders them very agreeable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. From Rev. J. V. Hines, Pastor of Advent Church, Boston. DR. AYER - I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HINES.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent preparation to cleanse the system and purify the blood. JOHN G. REACHAM, M. D. Constipation, Costiveness, Suppression, Rheumatism, Acute, Neuralgia, Dropsy, Paralysis, Fits, &c.

From Dr. J. P. Fingth, Montreal, Canada. Too much cannot be said of your Pills for the cure of costiveness. I have used your Pills for many years, and as efficacious as I have, they should join me in proclaiming it for the benefit of all mankind who are afflicted with that complaint, which, although but enough in itself, is the progenitor of others that are worse. Believe me, therefore, to originate in the liver, but your Pills cleanse the organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, will not only produce a healthy action, but also a secretion when wholly or partially suppressed, and also a healthy action of the bowels, which is not only refreshing, but they are such the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hauck, of the Methodist Episc. Church, Frankfort, Ky. PROMISES I should be gratified if you would send me as efficacious as I have, they should join me in proclaiming it for the benefit of all mankind who are afflicted with that complaint, which, although but enough in itself, is the progenitor of others that are worse. Believe me, therefore, to originate in the liver, but your Pills cleanse the organ and cure the disease.
