Dec 12th, 1858. Dear Sir .: - I feel it my duty as well as my pleasure, to state to you the following circumstance' which you can use if you think proper. A gentleman of this place, (a lawyer) has been oald ever since his early youth; so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after useing some two or three bottels his hair grew out quite luxurently, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yours, &c.,

obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your " Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as S. THALBERG.

The Restorative is put up in bottles of three sizes, viz; large, medium and small; the small holds & a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for three dollars per bottle.

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to physicians and citizens generally of the United States because the article has attained a reputation heretofore unknown, A few facts upon this point liam T. > This is not a temporary popularity, obtained by extraordinary efforts in the way of trumper ing the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved Godsend to regions where fever and ague and various other bihous complaints have counted their victims by hundreds 'To be able to state confidently that the "Bitters" are a certain cure mediately be put up to sale again, and no deed for the Dyspepsis and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, pu rifies the blood, and imparts renewed vitality to the nervous systefor giving it that tone and energy indispensable st the restoration of health. It operates upon the domach, liver, and other digestive organs, milaly but powerfully, and soon restores them to condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuverating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD, And for the speedy cure of the subjoined varieties of

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Beils, Blains, and all Skin Diseases.

J. C. Aver & Co. Gents: I feel it my duty to neknowledge what your Sarsaparilla has done for me.
Having inherited a Scrofulous infection, I have suffered
from it in various ways for years. Sometimes it burst
out in Ulcers on my hands and arms; sometimes it
turned inward and distressed me at the stamuch. Two
years ago it broke out on my head and covered my scalp
and ears with new sore which was uninfo and bothsome. years ago it broke out on my head and covered my scarp and ears with one sore, which was painful and bothsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had perpared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cared me. I took it, as you advise, in small doses of a tenspoonful over a month, and used almost three bottles. New and healthy akin soon beyon to form under the seab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease is good from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours, ALFRED B. TALLEY.

St. Authony's Fire, Rose or Erysipeles,
Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 19th
Sept., 1859, that he has cured an inveterate case of
Dropsy, which threatened to terminate fatally, by the
persevering use of our Sarsaparilla, and also a dangerous attack of Malignant Erysipeles by large doses of the
same; says he cures the common Eruptions by it coustantly.

Bronchocele, Goltre, or Swelled Neck. Zebulon Sloan of, Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Gottre—a hideons swelling on the neck, which I had suffered from over two years."

Leucorrhoa or Whites. Ovarian Tumor, Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhea by it, and some where the complaint was caused by ulceration of the uterus. The complaint was caused by ulceration of the ulcrus. The
ulceration itself was soon cared. Nothing within my
knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes: "A dangerous ocarian fumor on one of the females in my family,
which had defied all the remedies we could comploy, has
at length been completely cured by your extract of Sarsaparilla. Our physician thought nothing hat extirpation could afford relief, but he advised the trial of your
Sarsaparilla as the last resort before cutting, and it
proved effectual. After taking your remedy eight weeks
no symptom of the disease remains."

Syphilis and Mercurial Disease. New Obleans, 25th August, 1859.
Dr. J. C. Aver. Sir: I cheerfully comply with the request of your agent, and report to you some of the effects I have cared with your Sarsaparilla.

I have cared with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venerent and Merical Disease. One of my partiants had Syndhilitie allows.

effects truly wonderful in the cure of Venereal and Mer-curial Disease. One of my patients had Syphilitic ulvers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by sec-ondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration of the face. A woman who had been some disfiguration of the face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great

remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D. Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859 DR. J. C. AYER. Sir: I have been afflicted with a painful chronic Rheumatism for a long time, which halled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparitia. One both cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an offection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken down runn for some years from no other cause than development of DR. J. C. AYER. Sir: I have been afflicted with a pair failed to refleve me; and I have been a broken seem train for some years from no other cause than de-ingeneral of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the bloss-ing of God it has cared me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough.

Schirrus, Cancer Tumors, Enlargement, Ul-ceration, Carles, and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not ad-mit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia. Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimu-lates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consump-tion, and for the Relief of Consumptive Patients, in advanced stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung compiliate, that it is useless here to publish the evidence of its varues. Its unrivalled excellence for coughs and colds, and its traly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and langes. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the vir-tues that it did have when making the cures which have won so strongly upon the confidence of markind.
