During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the road side, from which my head received a most terrible blow; causing a great deal of iritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dopping, however up to the time of its total disapearance, I employed evrything I could think of, being a profssional man mysel and, as I thought, understanding the nature of disease, but was finally defeated in every pre-

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very appy result : two months afte: the first application, I had as beautiful a head of young hair as ever I saw, for which I certainly owe you my most sincere thanks. # Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD,

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Bloiches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859. J. C. Aven & Co. Gents: 1 feel it may duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrolulous infection, I have suffered from it in various ways for years. Semestimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stemach. Two turned inward and distressed me at the stomach. Two years ago it broke out on my lead and covered my scalp and cars with one sore, which was painful and leathsome beyond description. I tried many neclicious and several physicians, but without much relief from any thing. In fact, the disorder grew warse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaporilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it as you advice in small doses of a tenangental over a it, as you advise, in small doses of a tempoonful over a month, and used almost three bottles. New and healthy month, and used aimset three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease is gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the aposities of the age, and remain ever gratefully, Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erystpelas, Tetter and Salt Rheam, Scald Head, Ring-worm, Sore Eyes, Dropsy. Dr. Robert M. Proble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fainity, by the persevering use of our Sarsaparilla and also a dangerous attack of Malignant Ergsipoles by large doses of the same; says he cures the common Eruptions by it constantly.

Bronchocele, Goltre, or Swelled Neck. Zebolon Sloan of, Prespect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goifre—a hideons swelling on the neck, which I had suffered from over two years."

Lencorrhon or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes: "I Dr. J. R. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saving I have found your Sarsaparilla a most excellent afterstive in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofnlous dinthesis. I have cured many inveterate cases of Leucorrhwa by it, and some where the erate cases of Lencorrhosa by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon excel. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes: "A dan gerous overian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your extract of Sarsaparilla. Our physician thought nothing last extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease. New Obleans, 25th August, 1859.

Dr. J. C. Aver. Sir: I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla. I have cared with it, in my practice, most of the com-plaints for which it is recommended, and have found its effects truly wonderful in the cure of Veneral and Mer-curiel Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had caten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration of the face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great

remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D. Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Presion Co., Va., 6th July, 1856.
Dr. J. C. AYER. Slr: I have been afflicted with a pair ful chronic Rheumatism for a long time, which buffled th skill of physicians, and stack to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was stracked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an offection of the Licer, which destroyed my health. I tried everything, and everything failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised the Larer. My beloves pastor, the Rev. Mr. Laspy, advised the to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so parified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ul-ceration, Carles, and Exfoliation of the Bones. A great variety of cases have been reported to us where cures of these formidable compleints have resulted from the use of this remedy, but our space here will not ad-mit them. Some of them may be found in our American Aluxonac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Eptlepsy, Melancholy, Neuralgia. Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimu-letes the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.
