HOSTETTER'S STOMACH BITTERS.

The propri tors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to physicians and citizens generally of the United States because the article has attained a reputation heretofore unknown, A few facts upon this point will speak more powerfully than volumeson bare assertions or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half million bottles and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bot tles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction, of the most prominent physicians in those sections of the country where the article is best known. who not only recommende? the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumperg the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bihous complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsic and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the pervous systefor giving it that tone and energy indispensable at the restoration of health. It operates upon the domach, liver, and other ligestive organs, milaly but powerfully, and soon restores them to condition essential to the

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a timic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangerice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this The relation of mother and child is so absorbing cause it is agreeable to the taste as well as certain to give a permanent increase of bodyily

FOR PURIFYING THE BLOOD.

And for the speedy cure of the subjoined varieties of Disease: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and cars with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sursaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy akin soon began to form under the scale, which after a month, and used almost three bottles. New and healthy akin soon began to form under the scab, which after a while feil off. My skin is now clear, and I know by my feelings that the disease is gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours,

Syphilis and Mercurial Disease.

New OBLEANS, 25th August, 1859.

Dr. J. C. Ayer. Sir: I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Fenercal and Mercurial Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had caten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration of the face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered expendition point in her loute and hones. She too was tive to the weather that on a damp day she suffered ex-cruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1852. Dr. J. C. Ayer. Sir: I have been afflicted with a psinful chronic Rheumatism for a long time, which haffled the skill of physicians, and stack to me in spite of all the remedies I could find, until I tried your Sarsaparifla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said be knew you, and any thing you made was worth trying. By the bless-ing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries, and Exfoliation of the A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not ad-mit them. Some of them may be found in our American

Almanae, which the agents below named are pleased to furnish gratis to all who call for them. Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia. Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimu-lates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond

its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do. Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consump-tion, and for the Relief of Consumptive Patients, in advanced stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung completists, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects— some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and langs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

perfect test: -During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the road side, from which my head received a most terrible blow; causing a great deal of iritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first iscovered its dopping, however up to the time of its total disapearance, I employed evrything I could think of, being a profesional man toyself and, as I thought, understanding the nature of disease, but was finally defeated in every pre-

sciption advanced. These and no other circumstances induced me to resort to your worthy Hair Restorative, which have every reason to believe, produced a very happy result : two months after the first applieation, I had as beautiful a head of young hair as ever I saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; moreover, I shall use my influence, which I

flatter myself to say, is not a little. You can publish this if you think proper.

Dear Sir.: I feel it my duty as well as my pleasure, to state to you the following circumstance' which you can use if you think proper. A gentleman of this place, (a lawyer) has been hald ever since his early youth; so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after useing some two or three bottels his hair grew out quite luxurently, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adiciniar counties, many persons can testify to the truth of this statement : I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yours, &c.,

THOMPSON SURGHNOR. Dr. Wood; Dear Sir; Permit me to express the obligations I am under for the entire restoration of my hair to its original color; ab ut the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your " Hair Restorative" it soon recovered its original hne. I consider your Restorative as a very wonderful invention, quite efficacions as well as S. THALBERG.

The Restorative is put up in bottles of three sizes, viz: large, medium and small; the small holds \$ a pint, and retails for one dollar per bottle : the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bettle; the large holds a quart, 40 per cent more in proportion, and retails for

three dollars per battle. O. J. WOOD & OO., Proprietors, 444 Broadway, New York, and 114 Market Street, St.
