Although the late Col. Baker's command was called the California Regiment, it was composed almost entirely of Pennsylvanians. We be his successor.

We regret to learn that in the neighborhood of Hemlock, this county, has been visited, to an alarming extent, by that fearful disease, typhoid fever. A number of deaths have already occurred, and several persons are still dangerously ill.

D'No General, with the exception of Washington, who commanded an army on the continent of America, ever secured the confidence and love of both officers and men In a higher degree, than Gen. McClellan He is emphatically the man for the crisis-When he makes a forward movement we are eertain, victory will follow his footsteps:

The wea her clerk has furnished us with a cold enap during the present week. Mordecat says it is now too cold for drinking small beer, although Wissell has still an abundant supply on hand, of that delightful beverage. If brother Barker were still living, we would feel like taking a good warm whiskey punch with him, as we often did in the good old days gone never to return :---

Also, he is dead and gone. Alas, he is dead and gone, Charley, he's dead, Go to thy bed, He never will come again.

#### Death of Senator Baker.

Senator Baker of Oregon, was killed in a skirmish near Leesburg, Va., on last Monday while leading the regiment of which he was Colonel, into the fight. Senator Baker was truly a remarkable man. He was born in England, but was brought up in Philadelphia, where he worked for several years, when a boy, as a hand loom weaver. He afterwards removed to Springfield, Illinois, where he studied law, and was admitted to practice in the several courts of that State. His career at the bar was remarkably successful. In 1845, he was elected to Congress from the Springfield dis rict. During the Mexican war, he commanded an Illinois regiment and distinguished himself in the siege of Vera Cruz, and the battle of Cerro Gordo. On his return to Illinois, he was elected to Congress a second time. In 1850 or 51 he emigrated to California, and afterwards to Oregon, from which State he was elected to the United States Sepate, in the fall of 1860 -He was a man of extraordinary intellect, and judging from his published speeches, we have no hesitancy in saying that he was one of the most eloquent men in the United States at the present time. His less will be regarded as a National calamity.

The Alleghanian asserts that Ed Evans did all he could for " Linking, Curting and Mulling." You'r mistaken neighbor. On the contrary, he went in for "Licking Curting and Mulling. Yes, as it were as we said before, neighbor, that is so,

On DIT .- That the ghost of Barker was seen buying a glass of small beer at Wissel's, a few evenings ago. Wissell was awfully frightened, as his license does not allow him to have spirits in his shop.

The Greensburg Argus declares that can be benefited. Westmoreland county is the Star of the West. You are mistaken neighbor. Cambria is now the brightest Star in our horizon. Perdon't come up.

The Democracy of Armstrong county have triumphed, notwithstanding the half abolition course of their organ, the Democrat during the campaign. Armstrong is welcome back to the fold.

#### HOSTETTER'S STOMACH BITTERS.

The propri tors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-PERS can appeal with perfect confidence to physicians and citizens generally of the United States because the article has attained a reputation heretofore unknown, A few facts upon this point will speak more powerfully than volumeson bare assertions or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half million bottles and from its manifest steady increase in times past, it is evident that during the coming year

the consumption will reach near one million bot tles. This immense amount could never have been sold but for the rare medicinal properties contained in the preperation, and the sanction, of the most prominent physicians in those sections of the country where the article is best known, who not only recommended the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachie

derangements and the diseases resulting therefrom This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpering the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is des-

tined to be as enduring as time itself. Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsis and like diseases, is to the proprietors a source of unalloyed pleasure. # Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

And for the speedy cure of the subjoined varieties of Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pim-ples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

J. C. ATER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years arm it hards out to the stomach. turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the soab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease is gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the spostles of the age, and remain ever gratefully, Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ring-worm, Sore Eyes, Dropsy. Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous attack of Malignant Erysipelus by large doses of the same; says he cures the common Eruptions by it constantly.

Bronehocele, Gottre, or Swelled Neck. Zebulon Sloan of, Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goitre—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases. Dr. J. R. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparills a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Female Disease of the Scrofulous diathesis. I have cured many invetof the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhea by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes: "A dangerous ovarian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

New ORLEANS, 25th August, 1859.

DR. J. C. Aver. Sir: I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the com-I have cured with it, in my practice, most of the com-plaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mer-curial Discuse. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by sec-ondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration of the face. A woman who had been some disfiguration of the face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered ex-cruciating pain in her joints and bones. She, too, was cured entirely by your Sareaparilla in a few weeks. She, too, was cured entirely by your Sareaparilla in a few weeks. It know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1839.

DR. J. C. AYER. Sir: I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the ful chronic Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an offection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ul-ceration, Carles, and Exfoliation of the Bones. A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not ad-mit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them. Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

#### Ayer's Cherry Pectoral, FOR THE RAPID CUBE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consump-tion, and for the Relief of Consump-tive Patients, in advanced stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind. perfect test :-During the year 1854. I was so unfortunate as to be thrown from my sulky against a rock near the road side, from which my head received a most terrible blow; causing a great deal of iritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dopping, however up to the time of its total disapearance, I employed evrything I could think of, being a professional man myself and, as I thought, understanding the nature of disease, but was finally defeated in every pre-

scrption advanced. These and no other circumstances induced me to resort to your worthy Hair Restorative, which have every reason to believe, produced a very happy result : two months after the first application, I had as beautiful a head of young hair as ever I saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; moreover, I shall use my influence, which I flatter myself to say, is not a lie.

You can publish this if you think proper. Yours, very respectfully, M. J. Whent, M. D. Office of the Jeffersonian, Philippi, Va.

Dec 12th, 1858. Dear Sir .: - I feel it my duty as well as my pleasure, to state to you the following circumstance' which you can use if you think proper. A gentleman of this place, (a lawyer) has been bald ever since his early youth; so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restoretive," which he liked very much; and after useing some two or three bottels his hair grew out quite luxurently, and he now has a hand-some head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement : I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yours, &c... THOMPSON SURGHNOR.

Dr. Wood : Dear Sir : Permit me to express the obligations I am under for the entire rectoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your " Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as S. THALBERG.

The Restorative is put up in bottles of three sizes, viz; large, medium and small; the small holds & a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for three dollars per bottle.
