The Fast Line West does not stop.

☞ Peter P Lehman, of Richland township in this county, has lost four children by diptheria, within the last two months. Truly the hand of affliction has been heavy on him.

DIED.—On the — inst, at his residence in Munster township, Mr. HENRY O'NEIL in the 81 year of his age.

The deceased was one of the oldest citizens of our county, and was emphatically an upright man and sincere christian. To know him was to esteem him. May he rest in peace.

DIED.—At her residence, in Ebensburg, on Wednesday the 23rd inst., HANORA MALOY, relict of Mrs. PATRICK MALOY, aged about 70 years.

Mrs Maloy possessed as kind a heart as ever beat in a human bosom, and led a pure and blameless life. Peace to her ashes.

☞ The scarlet fever, which for a time appeared among us in a mild form, has assumed a more malignant form and has already carried death into several families in this place.

HALLOWE'EN.—To-morrow evening is Hallowe'en, when, we have heard it slightly hinted, the boys will, as usual, have a high old time of it. We hope they won't run their fun into the ground, but comport themselves like miniature gentlemen. They should all be at home in bed, at least by nine o'clock, otherwise their anxious mammas finding that they are out, might become uneasy about them.

☞ Remember that our young friend, Dr. Thompson, has constantly on hand, at the Post office, all the latest Illustrated newspapers, and magazines, and a splendid assortment of fancy envelopes, note and letter paper. He also keeps the Daily Philadelphia *Inquirer*. The Doctor is enterprising and accommodating, and merits patronage.

☞ We have been enjoying delightful Indian summer weather on the mountain, during the last few days. Hope it will continue; Although as a season, (if we may call it by that name) it is as brief as woman's love, it is nevertheless as sweet and entrancing as love's young dream. At least so says Mordecai, as he was once in love he ought to know.

SILVER GREYS.—This company on last Thursday elected the following officers.—Captain, William Palmer of Wilmore, 1st Lieutenant, James Murray of Ebensburg.—2nd Lieut., Isaac Tudor of Johnstown.—These are all excellent selections. When the company is equipped, we will have something to say concerning them individually.—A large number of privates have already been sworn in as members of the company. It will be ready for parading to the "battle field" in a short time. Recruits are coming in rapidly.

MARRIED.—On the 24th inst, in this place by the Rev. David Jenkins, Mr. Thomas B. James to Miss Lydia Jones. We congratulate the bride, on her success in carrying off her bridegroom in triumph, in spite of his many formidable rivals in this place, and we only, who were suitors for her hand.—He seems to have understood courting on the sly, and to have been more devoted to his attentions than they were. It is thus, Mordecai who has been young and is now old, assures us, that the love of a gentle young Virgin can be secured. They have both our best wishes for their future happiness.

"Till Hymen brought this love delighted hour:
There dwelt no joy in Eden's rosy bower.
The world was sad the garden was wild
While Adam was a boy and Eve a child."

THE LADY'S FRIEND.

GODEY'S LADY'S BOOK
FOR 1862.

THE WORD'S FAVORITE.

FOR 32 YEARS THE STANARD MAGAZINE

Pronounced by the press of the United States,

LADY'S MAGAZINE IN THE WORLD.
And the Cheapest.

THE LITERATURE

is of that kind that can be read aloud the family circle, and the clergy in immens numbers are subscribers for the Book.

THE BEST LADY WRITERS

in America contribute to its pages, and we have some that write for no other magazine.

THE MUSIC

is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey."

OUR STEEL ENGRAVINGS.

All efforts to rival us have ceased, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

GODEY'S

IMMENSE DOUBLE SHEET FASHION PLATES, CONTAINING

From five to seven full length Colored Fashions on each plate. Other magazines give only two.

FAR AHEAD OF ANY FASHIONS IN EUROPE OR AMERICA.

Godey's is the only work in the world that issues these plates, and they are such as to have excited the wonder of publishers and the public. The publication of these plates cost

$10,000 MORE

than Fashion plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefited.

These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule as would be the case if she visited the large cities dressed after the style of the plates given in some of our so called fashion magazines.

OUR WOOD ENGRAVINGS,

of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others

IMITATIONS.

Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, yet want no other magazine. Everything that is useful or ornamental in a home can be found in Godey.

DRAWING LESSONS.

No other magazine gives them, and we have given enough to fill several large volumes.

OUR RECEIPTS

are such as can be found nowhere else. Cookery in all its variety—Confectionery—the Nursery—the Toilet—the Laundry—the Kitchen. Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, and have peculiar facilities for making it most perfect. This department alone is worth the price of the Book.

LADIES' WORK TABLE

This department comprises engavings and descriptions of every article that a lady wears.

MODEL COTTAGES.

No other magazine has this department.

Rheumatism, Gout and Neuralgia,

AND A SURE CURE FOR

All Mercurial Diseases

It is a conveniently arranged band, containing a medicated compound, to be worn around the Waist, without injury to the most delicate persons, no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal medicines which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medical properties contained in the Band, come in contact with the blood and reaches the disease, through the pores of the skin, effecting in every instance a perfect cure, and restores the parts afflicted to a healthy condition. This band is also a most powerful ANTI-MERCURIAL agent, and will entirely relieve the system from the *pernicious* effects of mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in agravated cases of long standing.

HOSTETTER'S
STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of assertions or blustering puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half million bottles and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach upon one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommended the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable to the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility, acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harrassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here though a necessity for a stimulent to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, cursed by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, supervened by nervous debility, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations of our bitters, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

☞ Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers and dealers generally throughout the United States, South America, and Germany.

AGENTS.—Ebensburg, Devine & Jones; J. A. Parrish, Summitville; Wm. Ellenger, Loretto; Peter Kinney, Munster.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and ailing? Are you out of order, without exactly knowing what ails you? Do you require a purgative medicine, but dread the disagreeable effects of calomel? If you do, you should be admonished by the many symptoms of disorder in the system that these feelings indicate, that unless something is done to relieve it, serious sickness must follow. Most of the diseases of the human family originate in the stomach, and all of them may be traced, in the first instance, to the same cause. Indigestion, or a morbid state of the digestive functions, is the primary origin of more than half the ailments of mankind. Ayer's Pills, by their powerful influence on the digestive organs, restore the stomach to healthy action, and with it the liver and bowels, and all the other organs of the body, from their sympathy with the stomach, become regulated, and diseases disappear. This is the secret of the many remarkable cures by this medicine, which have astonished the world. It is also true of many of the apparently most obstinate and dangerous diseases which require a cathartic for their cure. Cancer, for example, originates in a disordered stomach, and a few doses of these Pills will relieve the patient more than all the other remedies in the world. Dropsy, Erysipelas, Neuralgia, Rheumatism, Gout, Piles, Headache, Dizziness, Drowsiness, Loss of Appetite, Nausea, Indigestion, Dyspepsia, Foul Breath, Fever, Inflammation, and Liver Complaint, are some of the many forms of disease which arise from a disordered stomach, and which require the aid of a purgative medicine to expel them from the system. For Costiveness, Dysentery, Diarrhœa, Worms, Colic, Palpitation of the Heart, Pain in the Side, Back, Loins, and Kidneys, these Pills should be taken to stimulate the digestive organs into healthy action. Indeed, wherever a cathartic is required, these Pills will be found to produce the desired effect. Purging ceases to be a terror when this mild remedy is employed. Explicit directions are given in the English, French, German, and Spanish languages, for the use of the following complaints, which these Pills speedily cure:

Costiveness, Indigestion, Dyspepsia, Biliousness, Jaundice, Foul Stomach, Headache, Sick Headache, Giddiness, Nausea, Loss of Appetite, Coated Tongue, Pain in the Stomach, Colic, Dysentery, Diarrhœa, Worms, Ulcers, Piles, Inflammation, Rheumatism, Gout, Neuralgia, Gravel, Palpitation of the Heart, Pain in the Side, Back, Loins, Kidneys, Nervousness, Nervous Debility, Female Complaints, Dropsy, Erysipelas, Scrofula or King's Evil, Tetter or Salt Rheum, Scald Head, Ringworm, Sore Eyes, Tumors, Cancers, Canker, Syphilis or Venereal Disease, Mercurial Disease, Fever and Ague, Chills and Fever, Intermittent Fever, Typhoid Fever, Scarlet Fever, Measles, Influenza, Whooping Cough, Croup, Consumption, Bronchitis, Asthma, Hoarseness, Liver Complaint, Hepatitis, Jaundice, Dropsy, Suppression, Retention, Irritation, Inflammation, Ulceration, Stone and Gravel, Dysentery, Diarrhœa, Worms, Colic, Paralysis, Rheumatism, Gout, Neuralgia, Tic Doloreux, Epilepsy, Spasms, St. Vitus' Dance, Palpitation of the Heart, Pain in the Side, Back, Loins, and
