SPECIAL NOTICES.

Prof. Wood's Hair Restorative.—This restorative for making the hair grow, stopping its falling out, and restoring gray hair to its original color, is becoming celebrated. All the quack nostrums are giving way before it. Three fourths of the mixtures for restoring and beautifying the hair, do it more injury than good. They burn it up—destroy the life of its roots—make the hair fall off, and produce premature baldness. But Prof Wood's Restorative may be relied on as containing nothing which can in any manner be injurious to the hair, while its success in accomplishing what it pretends to do has been verified in hundreds of cases. We advise gray heads, and heads getting bald—all who wish to save their wool or obtain a new stock, to get a bottle of Wood's Restorative.—*N Y. Democrat.*

Sold by all respectable Druggists.

☞Read the advertisement respecting "Dr Leland's Anti Rheumatic Band," in another column. According to the report of those who have tried it—and who have been cured of the most violent attacks of Rheumatism by it—there is no remedy extant equal to this in cases of Rheumatism—and having no reason to doubt the statements we have heard in favor of the "Band," we cordially recommend it to those who are afflicted with this disease. Be sure and read the advertisement most carefully.

GREAT CURE.
DR. LELAND'S
ANTI RHEUMATIC BAND,

IS THE ONLY KNOWN REMEDY FOR

Rheumatism, Gout and Neuralgia.

AND A SURE CURE FOR

All Mercurial Diseases

It is a conveniently arranged Band, containing a medicated compound, to be worn around the Waist, without injury to the most delicate persons, no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal medicines which weaken and destroy the constsitution, and give temporary relief only. By this treatment, the medical properties contained in the Band, come in contact with the blood and reaches the disease, through the pores of the skin, effecting in *every* instance a perfect cure, and restores the parts afflicted to a healthy condition. This band is also a most powerful ANTI-MERCURIAL agent, and will entirely relieve the system from the *pernicious* effects of mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in agrivated cases of long standing.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general prostration, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deeper-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they correct.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1855.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

DEAR BRO. AYER: I cannot answer you other complaints I have cured with your Pills better than to say *all that we ever treat with a purgative medicine.* I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst *headache* any body can have, by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Clarion.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of *bilious constipations* than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1855.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and do not hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Diarrhœa, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhœa.* Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Hines, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and *purify the fountains of the blood.*

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of *costiveness.* If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the *natural secretion* when wholly or partially suppressed, and also very effectual to *cleanse the stomach and expel worms.* They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1855.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating *neuralgic pains*, which ended in *chronic rheumatism.* Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec., 1855.

DR. AYER: I have been entirely cured, by your Pills, of *Rheumatic Gout*—a painful disease that had afflicted me for years. VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for $1.

PROF. WOOD'S
RESTORATIVE CORDIAL
AND
BLOOD RENOVATOR.

As precisely what its name indicates, for, while pleasant to the taste, it is revivifying, exhilerating, and strengthening to the vital powers. It also revivifies, reinstates and renews the blood in all its original purity, and thus restores and renders the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of all. So chemically and skillfully combined as to be the most powerful tonic, and yet so perfectly adapted to *as to act in perfect accordance with the laws of nature, and hence soothe the weakest stomach*, and tone up the digestive organs, and allay all nervous and other irritation. It is also perfectly exhilerating in its effects, and yet it is never followed by lassitude or depression of spirits. It is composed entirely of vegetables and those thoroughly combining powerful tonic and soothing properties, and consequenently can never injure. Such a remedy has long been felt to be a desideratum in the medical world, both by the thoroughly skilled in medical science, and also by all who have suffered from debility; for it needs no medical skill or knowledge even to see that debility follows all attacks of disease, and lays the ungarded system open to the attacks of many of the most dangerous to which poor humanity is constantly liable. Such, for example, as the following; consumption, Bronchitis, Indigestion, Dyspepsia, Loss of Appetite, Faintness, Nervous Irritability, Neuralgia, Palpitation of the Heart Melancholy, Hypocondria cases, so fearfully fatal if unattended to in time, called *Female Weakness and Irregularities.* Also Liver Derangements or Torpidity, and Liver Complaints, Diseases of the Kidneys, Scalding or Incontinence of the Urine, or any general derangement of the Urinary Organs, Pain in the Back, Side, and between the shoulders, predisposition to Slight Colds, Hacking and Continued Cough, Emaciation, Difficulty of Breathing, and indeed we might ennumerate many more still, but we have space only to say, it will not only cure the debility following Chills and Fever, but prevent all attacks arising from Miasmatic Influences, and cure the diseases at once, if already attacked. And as it acts directly and persistently upon the biliary system, arousing the Liver to action, promoting in fact, all excretions and secretions of the system, it will infallibly prevent any deliterious consequences following upon change of climate and water; hence all travelers should have a bottle with them, and all should take a table spoonful at least before eating. As it prevents costiveness, strengthens the digestive organs, it should be in the hands of all persons of secentary habits, students, ministers, literary men. And all ladies not accustomed to much out door exercise should always use it. If they will they will find an agreeable, pleasant, and efficient remedy against those ills which rob them of their beauty; for beauty cannot exist without health, and health cannot exist while the above irregulatie e ontinue. Then again, the Cordial is a perfect Mother's Relief. Taken a month or two before the final trial she will pass the dreadful period with perfect safety. *There is no mistake about it, this Cordial is all we claim for it. Mothers, try it!* And to you we appeal to detect the illness or decline not only of your daughters before it be too late, but also your sons and husbands, for while the former, from false delicacy, often goes down to a premature grave rather than let their condition be known in time, the latter are often so mixed up with the excitement of business that if it were not for you they too would, travel in the same downward path, until too late to arrest their fatal fall. But the mother is always vigilent, and to you we confidently appeal; for we are sure your never failing affection will unerringly point you to Prof. Wood's Restorative Cordial and Blood Renovator as the remedy which should be always on hand in time of need.

O. J. WOOD, Proprietor, 444 Broadway, New York, and 411 market street, St. Louis, Mo., and sold by all good Druggists. Price One Dollar per Bottle.
